## Knot Hole News

HOWDY AGAIN—Did you see the fellow the other night who bumped into the light post and said, "Excuse me, Sir." Then he bumped into a fire hydrant and said "Excuse me, little boy." He hit another light post and sat down, saying "Well, I'll just wait here until the crowd passes."

### —BUILD FHA WAY—

Our advice is to not set down and wait until its too late to get favorable terms and prices on a new home. Look into this important question now and go ahead right away.

### —BUILD FHA WAY—

One upon a time a man got up early one Sunday morning to let the iceman in, and not being able to find his bathrobe, he slipped on his wife's kimona. When he opened the door he was greeted by a nice big kiss by the iceman. The only way he could figure it out was that the iceman's wife had a kimona just like the one he had on.

### —BUILD FHA WAY—

"Do you make life-size enlargements from snapshots?" asked the girl.

"Certainly, miss," answered the photographer. "That's our specialty."

"Well," said the girl, "let's see what you can do with this picture of the Grand Canyon."

### —BUILD FHA WAY—

"What's the use for us men trying to amount to anything," says Adolph, the cynic. "At his original birthday party they pity the mother; at his marriage they pity the bride; at his death they pity the widow."
