Allen Johannsen Dies At Home of Brother Monday

Reservoir Superintendent Buried Wednesday—Many Friends in Community.

Allen "Buck" Johannsen, 50, whose friendly ways had endeared him to hundreds, passed away Monday morning at the home of his brother in Chicago. Ill for several months, he was taken to Chicago for treatment twice, but gradually grew weaker until the end Monday morning July 26th.

Mr. Johannsen first came to this community in 1927 from reclamation work at American Falls and was one of the chief inspectors while the dam was being built. Up on completion of the dam he was made reservoir superintendent and made his home at the Owyhee Dam.

He became ill last October and was taken east for treatment; and apparently was better as he returned to his home here around the middle of December. About two months ago he was again taken east and given every care that medical science could devise but without avail. His wife, Marie, was with him at the time of his death.

Funeral services were conducted Wednesday in Chicago, according to wires received here.

Besides his wife, he is survived by three children, Robert, Allen and Dorothy; four sisters, his step-mother, Phoebe Johannsen of Salt Lake; and four brothers, Oscar in Ontario, R. E. in Chicago; George in Washington D. C.; and Julius in Idaho.

Beet Prospects Look Excellent

The sugar beet crop in the Eastern Oregon-Western Idaho territory is now well under way, with most of the hand labor having been completed. In most instances the leaves are covering the rows and, consequently, are preventing further cultivation; however, timely irrigation still remains an important factor and is being urged in all cases for the completion of a successful crop. There is every reason at this time to believe that with proper care such a crop will be harvested.

The Amalgamated Sugar Company is now preparing for the harvest this coming October with the \$100,000 to \$150,000 worth of equipment at various points throughout the district. Two such pieces are already located in the territory from last year. One is located at Musser, south of Nyssa, and the other at Weiser. Plans call for the erection of additional equipment in the vicinities of Jamieson, Harper, Hope, Payette, Letha, Parma, Marsing, Nampa, Overstreet, Arcadia and the territory south and west of Ontario. In addition to the beet elevators being erected twenty ton truck scales are also being installed at each point.

MRS. ERMA DAELHOUSE NEW CIVIC CLUB SECRETARY

Mrs. Erma Daelhouse has been selected as secretary of the Civic club to replace Mrs. W. H. Beam, whose resignation was recently handed in. The election took place last Wednesday afternoon at the club's meeting at the Andrew Boersma country home.

The club also decided to serve a luncheon for the produce tour to be conducted next week. After a business and social meeting, refreshments were served by a committee consisting of Mrs. J. W. Poage, Garret Stam and Mrs. Andrew Boersma.

TOWNSEND CLUB TO HOLD MEETING AUGUST 4

The local Townsend club is arranging a big rally for the benefit of the General Welfare Act and have set Wednesday, August 4th as the date. The meeting will start at 8 o'clock in the evening and will be open air if the weather permits. In case of stormy weather, the meeting will be at the M. E. church.

The public is cordially invited to the meeting, specially young people. A. M. Williams and son, two highly recommended speakers, will be featured on the program.

Rehabilitation Funds To Be Available This Fall

New funds for rural rehabilitation and relocation loans in Malheur County are not expected to be available until this fall, according to W. N. Young, County Supervisor, Re-Settlement Administration, USDA, Vale. While applications are still being filed for eligible farm families unable to secure commercial credit, allotment of funds for fall loans is not expected before September.

"We have been able to supply rural rehabilitation loans to over 292 resident farm families and new settlers in Malheur County on the Vale-Owyhee project," Young said. "Each loan has been made to a farm family unable to secure credit from the usual sources but located on a farm where the purchase of livestock, farm machinery, and other capital goods would assure a livelihood and repayment of the loan over a period of two to five years."

Young estimated that over half of the families under the rural rehabilitation program came to Malheur County in recent years from the drought areas of the middle west and Great Plains. Many came with enough savings to purchase tracts in the reclamation project but needed additional credit for building, machinery, livestock, and seed to carry on successful farming operations.

Bread Prices To Jump One Penny

The State Bakery Board has ruled that bread prices over the state will be jumped to 11c a loaf retail, starting Monday; and now instead of plunking down a dime for a loaf, everyone will have to dig down for an extra penny. At the same time, wholesale prices will be raised to 9c a loaf.

Reasons for the raise was the greatly advanced price of materials, added federal taxation and other costs. The price raise is mandatory, and local bread handlers point out they are forced to follow the rules and prices set by the state governing body.

BUSINESS LEADERS TO ATTEND MEETING HERE AUGUST NINTH

The Nyssa Chamber of Commerce will be the host club here Monday evening, August 9th to the Associated Chambers of Commerce, which includes business leaders from all the towns reaching from Baker to Boise.

Arrangements have been made with the Nyssa Civic Club to serve an outstanding banquet in the basement of the Eagles hall and the officers of the Association will provide the speaking entertainment. These affairs are passed around the various towns in the valley with the last meeting held at Parma and attracting a crowd in excess of 100. This was a special affair, but the Nyssa meeting is expected to bring some 75 to 80 community leaders together to talk over mutual problems and methods of attack.

EASTERN OREGON CLUB BOYS HOLD BIG TOUR

Nine 4-H club boys, accompanied by club leader Hauser, Mr. Robert Copeland of Harper and Chas. Thomason of Nyssa went on an interesting tour which started July 19th and lasted three days. Their goal was the Union county experimental station Monday, with Dick Richards showing the boys some very interesting features of the state institution. During the afternoon the boys were shown some fine cattle and sheep, which the boys judged and a demonstration was also given on the proper method of washing a calf for show purposes.

Monday evening the boys went to Cove and had a nice swim and later in the evening enjoyed stories around the campfire.

Tuesday the boys attended classes on grain, hay and other crops, and in the afternoon drove to the Christian farm where the boys judged Jersey cattle. Reardon told springs was the attraction that evening, for a swim and a place to camp for the night.

Wednesday the club members drove to the Chandler farm and judged some excellent purebred Herford cattle, followed by lunch in the city park at Baker before starting the journey homeward.

Mrs. Della Gaylor of Richland, Oregon and her two married daughters, Mrs. Velma Moulton of Halfway and Mrs. Dessie Irwin of Enterprise spent Friday at the C. O. Hunt country home.

Nyssa Diamond Performers Lose To Emmett Nine

Local Team To Play At Ontario Sunday—Lose By One Run At Emmett

Nyssa lost a hard game to Emmett Sunday, in a ten inning battle which ended 5 to 4. Emmett took an early lead and were leading three to nothing until the 8th, when Nyssa rallied and punched three counters over to tie the score. Neither team scored in the ninth, with the game going over into the 10th.

In the tenth, Dilly doubled, took third on an error and scored when George Johnson came through with a safe hit, giving Nyssa a one run advantage.

Emmett came to bat in the 10th with blood in their eyes; the first man up being Heap who thought he knocked a triple, but the ball was ruled foul after an argument when threatened to disrupt the game. His next attempt resulted in an easy out at first. Castle came through with a hit, and Taylor walked. Lesage, third baseman for Emmett, won the game when he smashed out a two base hit, scoring both Castle and Taylor for the winning runs.

Batteries for Nyssa were Dean Johnson and Young; for Emmett, Schiller and Taylor.

Queen Wanted For Stampede

The Owyhee Stampede and Malheur County Fair Golden Jubilee is to be held in Ontario on September 4, 5, and 6th, and plans are rapidly taking shape to make the show the largest in Malheur County's history. Arrangements are being made to handle a crowd of from 6000 to 8000 persons each of the three nights.

All pioneers of the county who have resided here for 50 years or longer have been asked to be guests for the Stampede and Fair this year; and Queen contest is just getting underway to select a suitable reigning queen for the three day affair. Girls between the ages of 17 and 24, who can ride a horse gracefully and free to cooperate with the publicity committee are eligible for queen.

Colborn and Sorenson of Blackfoot, Idaho will again bring their rodeo to Ontario, but additional acts have been included to make it even larger than last year. Colborn and Sorenson are staging the Sun Valley and Madison Square Garden shows this year.

Livestock and farm product exhibits are expected to be especially fine this year and over 2500 premium list books have been mailed out. Premiums have been increased over those of a year ago and are expected to bring out some of the very finest of Malheur county products.

At the fair grounds, construction is underway to put in 800 reserve seats and 30 boxes with 6 seats to a box; which will make 1000 reserve seats for the show. Advance sale of seats and boxes will begin Monday, August 2nd at the office of the Ontario Commercial Club secretary in the city hall. Reserve seats have been set at \$1.50 a night; with box seats \$2.00. A box of six seats for the three days will come to \$30, according to Bill Callan, the Commercial Club secretary.

KINGMAN KOLONY L.D.S. SUNDAY SCHOOL TO HOLD BASKET SUPPER AUG. 5

The L.D.S. Sunday School of Kingman Colony has announced a basket supper on the Clifford Snyder lawn for August 5th and are inviting friends, neighbors and others to attend the affair. The ladies will bring baskets, which will be sold for the Sunday School benefit. There will also be a short program and games to make the evening an especially enjoyable one.

COLORADO CLUB TO PICNIC SUNDAY

Former residents of Colorado will celebrate the birthday of Colorado Sunday with an informal picnic and sports program at the Big Bend park; and are inviting the general public to meet with them for a social time. A picnic lunch will be spread under the trees at noon, followed by a sports program and visiting the balance of the day. C. H. Bennett is president of the local Oregon-Colorado club and J. C. Greer is secretary.

Nyssa Diamond Performers Lose To Emmett Nine

Local Team To Play At Ontario Sunday—Lose By One Run At Emmett

Nyssa lost a hard game to Emmett Sunday, in a ten inning battle which ended 5 to 4. Emmett took an early lead and were leading three to nothing until the 8th, when Nyssa rallied and punched three counters over to tie the score. Neither team scored in the ninth, with the game going over into the 10th.

In the tenth, Dilly doubled, took third on an error and scored when George Johnson came through with a safe hit, giving Nyssa a one run advantage.

Emmett came to bat in the 10th with blood in their eyes; the first man up being Heap who thought he knocked a triple, but the ball was ruled foul after an argument when threatened to disrupt the game. His next attempt resulted in an easy out at first. Castle came through with a hit, and Taylor walked. Lesage, third baseman for Emmett, won the game when he smashed out a two base hit, scoring both Castle and Taylor for the winning runs.

Batteries for Nyssa were Dean Johnson and Young; for Emmett, Schiller and Taylor.

Boise Beats Vale

A home run in the 9th inning with two men on base gave Boise a 8 to 6 victory over Vale Sunday and put Boise in undisputed league leadership, followed by Vale, Payette and Ontario tied for second position. Caldwell, Nyssa and Emmett are all tied for third, with three losses each to match one win. Weiser with four losses out of as many starts, bring up the rear.

Ontario humbled Weiser Sunday by a 13 to 4 count and Payette squeezed out a 10 to 9 win from Caldwell.

Play Ontario Sunday

The two rival towns, Nyssa and Ontario will meet on the Ontario diamond Sunday for renewal of baseball rivalry. Ontario has a better standing in league averages, but the teams are fairly evenly matched. Nyssa has been having bad luck losing games by one run margins; and several players have said they will do their best to get away from this Sunday by jumping into a big lead in the early innings and then fight to protect it. Several carloads of fans expect to go to Ontario Sunday to help the boys in their scrap with the neighboring town.

JUNIOR LEAGUE BALL GAME IS POSTPONED

The American Legion junior league ball team, which was to play a similar team from Hood River at Ontario Sunday, will play the championship game this Sunday afternoon. The original schedule called for the game to take place at Ontario last Sunday, but the Hood River team was unable to come at that time, necessitating setting the date ahead a week.

Honor Roll

Many subscribers are choosing this time of the year to pay their subscription to the Journal, and such an attitude is greatly appreciated. Among those who have brought or mailed in renewals or new subscriptions the past few days are Nora Elliott, Ernest Knoll, A. A. Mazac, Henry Horn, Rock Shelton, W. F. Corn, Norcott Service, A. A. Chadwick, Marvin Penrod, M. F. Solomon, Mrs. Dave Hawkins, L. E. Fry, L. E. Hoxie, Mrs. H. A. Diven, Wm. Matzen, R. R. Richardson, W. M. Teter, J. W. Kygar, Drue Anderson, Donald McGinnis, Laurence Service, M. S. Birks, H. S. Sackett, Pearl Cowgill, Helm & Yturri, Fred Province, Charlena Crawford, Mrs. Bertie Forbes, Mrs. Audrey Ward, Art Hunt, Mrs. Lillian Newby, J. W. Poage, George Kinzer, Johnson Variety, Farnham Sills, Mrs. C. W. Barrett, R. J. Davis, H. H. Wiede-man, Julius Prati, James McDROE, C. M. Beaumont, A. C. Prawitz, N. E. Hatt, George Schiemer, Ed Warren, A. H. Keck, Lon Root, George MacLafferty, Vernon Butler, Denny Hogue, Joe Reid, Hugh Miller, Walter Johnson, Farmers Cooperative Creamery, Bud Anderson, O. G. Boden and Mrs. Dean Smith. How does your subscription stand?

Big Farm Tour Scheduled For Monday and Tuesday

VOTERS SHOULD CAST THEIR BALLOTS AT BOND ELECTION TUESDAY

It will be voting day in Nyssa Tuesday, when qualified electors will cast their ballots either for or against the issuance of bonds not to exceed \$7500 for city hall purposes; and bonds not to exceed \$1,000 for city park purposes.

The reason for elections, of course, is for the expression of public opinion. We are strong for the policy of laying the full facts before the voters, and let them choose which road they want to follow. These facts are pretty well understood by the voters. They know Nyssa is in a strong financial condition and can well afford the small additional expense involved. They know that the savings the city will make in rent; plus the convenience, will largely take care of city hall bond payments. The voters likewise realize the necessity for a city park and feel a definite need for such an improvement.

We feel that since the voters understand these things; no newspaper and no individual has any right to try to influence an informed voter. We are strong, however, for a big turnout; and urge that every voter take the opportunity Tuesday of expressing their opinion, pro or con, via the ballot. The opinion of the legal voters is needed; and Tuesday, August 3 is the time to express this opinion by voting your honest convictions.

Strawn Child Drowns Sat.

Little four-year-old Marcia Strawn, daughter of Mr. and Mrs. Lester H. Strawn was drowned late Saturday in the Farmer's Cooperative ditch near Fruitland. Her parents are well known here, having lived on the Tom Coward place here for three years before moving to a farm four miles southeast of Fruitland.

The little girl was missed by her parents about 4:30 Saturday and a four hour search ended by finding the girl's body two miles down stream from the family home. She was located by her uncle, Keith Strawn.

She was hurried to Payette where the Payette fire department worked over her with a pulmotor, but she had been in the water too long. The Weiser department was also called and aided in attempting to bring back the spark of life but all attempts were futile.

Funeral services for the victim of the tragedy were held Monday afternoon at 2:30 from the Methodist church in Fruitland and were conducted by Rev. Harry Thomas of the Brethren church. Mr. and Mrs. Tom Coward and Mrs. Ethel Crawford were among local people to attend the services.

Marcia is survived by her parents, a six-year-old brother and an infant sister.

BAND PLAYS AT POMONA GRANGE PICNIC AT BEND

The Nyssa band gave its initial concert Thursday afternoon before a large and enthusiastic audience of Grange members at their picnic at the park at Big Bend. The band gave a varied program of marches and overtures, every number being rendered in a pleasing manner.

The members of the band present included Calvin, Lloyd and Robert Wilson, Herschel Thompson, Warren Larsen, Edward Boydell, Otto Prawitz, Ole Olsen, Art Cook, Hollis DeGroot, Lester Klinkenberg, Vernon Walker and Roy Fidwell, who is also director of the band. Mr. Fidwell is a professional musician and a member of the Nampa Municipal Band.

OUTLAWS SHOW STRENGTH IN SOFTBALL GAMES DURING THE PAST WEEK'S PLAY

One of the closest games of the current softball season was played Tuesday evening when the Tile Plant team barely nosed out the Outlaws, 2 to 3. All scoring was done in the late innings with the teams battling along inning after inning with neither team unable to get the advantage.

The Outlaws showed real power in their game Friday night taking the highly touted Journal team to a real cleaning; the final score being 15 to 3.

Tomorrow night will see the Journal matched with the Beeler Boys and next Tuesday the Journal will play the Tile Plant team. Both games should be good and fans are reminded that everyone is invited to witness the games and no admission is charged.

GETS NICE RETURN ON RED CLOVER SEED

Frank Byers sold his red clover crop "in the dirt" this week for \$24.50 per hundred, which gave him a gross of \$140 per acre on his red clover seed. This is on new land of the Owyhee project and was Mr. Byer's second crop from sagebrush.

Mrs. Hazel D. Gildes and Theron went to the Payette Lakes Saturday evening to spend a vacation.

Stiff Wind Hits Here Two Nights

A strong wind storm, accompanied by some rain Sunday evening, hit the Snake river valley both Sunday and Monday evenings; and did some damage to growing crops. Corn was blown over in places, grain flattened out some, and some fruit blown from trees, but the effect on the harvest of these crops will likely be slight.

Tales were told of the wind moving farm machinery, a tree was blown over at the Garret Groot farm, and discomfort caused by the wind; but no serious accidents were reported. Power was off in Nyssa Sunday night for 20 minutes; while Ontario and Vale were off for a considerably longer period. Telephone men were also kept busy making minor repairs in their lines. The street lights went out Monday night for a short time after 11 o'clock but no serious trouble developed.

The storm seemed to be stronger to the north, with considerable trouble experienced at Ontario and Payette. At Payette a tree blew over onto a car and completely ruined it, and both power and telephone crews were kept busy Tuesday repairing damaged lines.

NEW LUNCH COUNTER OPENED AT ROSEBUD

Equipment has been installed and a new lunch counter opened at the Rosebud cigar store this week. Mr. and Mrs. Mike Hays have added the equipment to better care for their customers, with Mrs. Hays being in charge of the lunch counter. They intend to open their place at six in the morning and remain open until midnight, as usual.

Mr. and Mrs. Sam Caldwell and son and Ruth Planary returned Saturday from a two weeks vacation trip spent in Kent and Seaside, Wash.

According to a letter received by Mrs. H. D. Holmes from Mr. and Mrs. Nate Young, they are being transferred by the reclamation service from Antioch, Calif., where they have been the past several months to Tracey, Calif. Mr. Young is still going strong in his golf playing and reports winning another nice trophy in golf play at Antioch.

Several Agencies Cooperating In Big Educational Tour Over Malheur County.

A farm tour for all those interested in new developments in agriculture in Malheur County is being held on Monday and Tuesday, August 2nd and 3rd, according to R. G. Larson, County Agent.

This tour is primarily for the purpose of viewing new crops, new methods of weed eradication and control, results of trials of new crops and fertilizer experiments, as well as other things of interest. The Amalgamated Sugar Company and the Sioux City Seed Company are cooperating with the County Agent in lining up an itinerary at which those attending can observe interesting developments.

On Monday, August 2nd, the tour will meet at the Weiser junction at 9:00 a.m. and from there will visit different places in the morning, arriving at the Vale Park by noon where luncheon will be served under the auspices of the Vale Chamber of Commerce. Following the luncheon an interesting program lasting about one and one half hours will be held. Other crop demonstrations will be visited in the afternoon.

On Tuesday, August 3rd, the party will meet at 9:00 a.m. at the Boulevard Grange Hall, visiting various places between there and Nyssa in the morning. Luncheon at noon will be served on the Gerrit Groot lawn by the Nyssa Civic club. An interesting program will also be held here following luncheon. The tour will then proceed on through Kingman Colony and Big Bend sections to view demonstrations of interest in that neighborhood.

Those interested will be able to start out with the tour in the morning or will be able to join at noon. The schedule of stops, however, will vary somewhat, according to interest in the various features, so those planning to attend should start if possible in the morning at the meeting places.

Postoffice Size Much Increased

Nyssa's remodeled postoffice is just about complete, with workmen starting kalsomining operations this morning and carpener work practically completed. The enlarged quarters makes a great improvement for both patrons and post-office workers, and should result in improved service.

The new quarters includes not only the former floor space, but also takes in the room occupied by the telephone company for many years before they built their own building. This has the effect of more than doubling the former working space in the rear, and at the same time provides ample space for patrons in front.

All the old boxes have been moved into a U-shaped space and more boxes are expected here soon to be installed and add greatly to the ease of handling mail. At the present time all boxes are sold with a long waiting list of those who desire box service.

NEW LUNCH COUNTER OPENED AT ROSEBUD

Equipment has been installed and a new lunch counter opened at the Rosebud cigar store this week. Mr. and Mrs. Mike Hays have added the equipment to better care for their customers, with Mrs. Hays being in charge of the lunch counter. They intend to open their place at six in the morning and remain open until midnight, as usual.

Mr. and Mrs. Sam Caldwell and son and Ruth Planary returned Saturday from a two weeks vacation trip spent in Kent and Seaside, Wash.

According to a letter received by Mrs. H. D. Holmes from Mr. and Mrs. Nate Young, they are being transferred by the reclamation service from Antioch, Calif., where they have been the past several months to Tracey, Calif. Mr. Young is still going strong in his golf playing and reports winning another nice trophy in golf play at Antioch.
