The Owyhee Christian Endeavor enjoyed a rather unique party on Tuesday evening of last week. Everyone came dressed as Hobos, each trying to outdo the other in shabbiness and patches. Swimming games and singing around a camp fire on the river bank furnished the amusement. Refreshments of sandwiches and cake in paper sacks were the 'handouts', lemonade was served in cans.

After the hard rain, they tried to journey on, but found that they were practically stuck in the sand. After a little hard work they returned safely home.

"Tell me, Lovely Lady..."

How Many Days Did You Enjoy Your Kitchen?"

When days are hot and sticky, and the midsummer heat presses down like a hot blanket—that's when electric cooking is a joy. An insulated electric range holds the heat in—cooks the food and not the cook. If your kitchen has been hot this month—find out how much more comfortable it is to cook electrically. And it's cheap, too, with Idaho Power's low electric rates.
