Of course, you want the genuine Estate Heatrola. Then why not place your order now and get your share of Free Coal (500 to 2,000 pounds).* Here's all you do:

Select your Heatrola now, make just a small deposit, pay nothing more until the Heatrola is installed (you say when). Then start paying in convenient monthly installments.

Remember, there's no other offer to compare with this, because no other heater can compare with the genuine Estate Heatrola—the original cabinet heater. Beautiful, modern, all-porcelain cabinets—eight models to choose from. Jointless ash box. Estalloy double-life fire pot. Ped-a-Lever Feed Door. And the wonderful Intensi-Fire Air Duct—Heatrola's famous, exclusive feature that turns waste into warmth, cuts fuel bills 25 to 40%.

*Depending upon the model you choose, one-half these amounts if hard coal is furnished.

DOUBLE LIFE. New, extra-heavy, ribbed fire pot, made of Estalloy (nickel chromium alloy). More than double the life of best cast-iron fire pots.

URNS WASTE INTO WARMTH! Ordinary heater (left) allows warmth to escape up flue. Unique Intensi-Fire Air Duct (right) in Estate Heatrola blocks heat—sends it into rooms.
