Health Speakers Favor T.B. Tests

Stress was placed on the use of tuberculin tests as the next step in the fight against tuberculosis by speaker at the Idaho State Anti-Tuberculosis association convalesce in Boise the first of the week.

Three members of the Malheur county health association, Mrs. W. J. Roberts, Mrs. Kathryn Claypool and Mrs. Edna Flanigan Ferris, who attended the sessions, returned to their home enthusiastic about the messages. The local county health association has already formulated plans to start general tuberculin tests of school children of the county this fall.

The outstanding speaker, in Mrs. Ferris' estimation, was Dr. J. Arthur Myers, professor of preventive medicine at the University of Minnesota and president of the national Tuberculosis League. He stated that every person entering high schools and colleges should be given the tuberculin test. He compared the progress of England and the United States in regards to the tuberculin tests given cattle, showing that in the latter where definite action has been taken regarding all cattle which reacted positively, the progress has been more rapid.

The convention program also contained stimulating lectures on what the public should know about cancer, public health work in general and the coming Christmas seal sale. Among the speakers on the program were Dr. H. E. Robertson, professor of pathology, Dr. V. E. Fisher and Dr. Allen L. Hart of Seattle.

Everett A. Givens Passes Away At Boise Hospital

New Project Farmer Dies From Infection Monday—Funeral Today.

One of the new settlers on the Owyhee project passed away at six o'clock Monday evening when Everett A. Givens passed away in the Veterans hospital in Boise. Mr. Givens had made his home near Chalk Butte for the past year and a half and was energetically building up a fine farm when death cut short his career.

Mr. Givens had been in fine health up until last week when a small simple on his face developed into a serious infection. His two sons lived with him, and when their father's infection became bad they went to their neighbor, Jake Kollen for help. Mr. Kollen saw the man needed medical attention; and he and Dwight Smith took Mr. Givens to the Veterans hospital. Doctor there said he had but a small chance of recovering, as the infection had spread badly.

Funeral Today
Mr. Givens was a loyal member of the Veterans of Foreign Wars, and members of the local post will serve as pall bearers at the funeral services being held today from McBratney's Funeral Home in Boise. He is survived by two sons; Melvin and Ellis of Nyssa; and three daughters, Mrs. Francis Givens Fletcher of Boise; Erma and Patsy Givens, also of Boise.

Three Malheur County 4-H Club members will be entering Oregon State College this fall with Union Pacific scholarships to help finance their first year in college. The three are Evelyn Haworth, Wade community, Doris Klingback, Owyhee community, and Leonard Nichols, Kingman Colony community.

This scholarship is a \$100 award that is given annually by the Union Pacific Railway System to the outstanding 4-H Club member in the County and is awarded when the winner enrolls at Oregon State College. Similar scholarships are given by the Union Pacific System in other counties in Oregon through which their railroads pass.

Leonard Nichols won his scholarship in 1933. Doris Klingback was the winner in 1934 and Evelyn Haworth was selected as the outstanding 4-H Club member in the county in 1935. The 1936 winner, Lucille Thrasher of Kingman Colony, is still in high school but is planning to graduate next spring and enter Oregon State College in the fall of 1938.

Margaret Patch from Annex community won the scholarship in 1932 and Lois Schweizer from Owyhee was winner in 1931, and both of these girls have used their scholarships.

Each year the winner is selected by a committee consisting of the County School Superintendent, a representative of the Oregon State College Extension Service, and a third member selected by those two. In making the award consideration is given to the age of the individuals, the number of years in 4-H carried, quality of work done, leadership work, the number of projects carried, interest and participation in 4-H and community activities.

SCOTT HOME IN LOWER BIG BEND DESTROYED BY FIRE

(Florence Russell)

Lower Big Bend—This community was again visited by a fire of major proportions last Saturday, when the home of J. W. Scott was burned to the ground. Mr. Scott laid down for a few minutes after lunch and when he awoke he found the entire building in flames. In getting out of the house he suffered burns about the head and arms. Neighbors came to Scotts assistance but the fire had gained too much of a headway. Mr. Jones has taken the Scott family into his residence until they can rebuild.

Hunters Anxious For Opening Day Of Deer Season

Deer Hunters Await the Opening Day Sept. 20; No Hen Pheasants This Year.

Local hunters have scarcely been able to contain themselves, awaiting the opening of deer season, which is set for September 20th and runs until October 25th. This makes the opening day come on Monday, and those fortunate few who can get away for the opening day are already getting their shooting eye in practice and making out lists of supplies.

A few days later, on October 1st the Chinese pheasant and Hungarian pheasant season will open in Malheur county, with the bag limit set at four male birds in any one day but not more than 8 male birds in any 7 consecutive days. Hunters will not be allowed to shoot hens this year.

While the Chinese pheasant and Hungarian pheasant season opens in Malheur county on October 1, hunters in several Oregon counties, including Union, Baker and Grant will have to wait until October 15th to start blazing away at pheasants. Hunters in Harney county can hunt on October 20, 23rd, 27th and 30th as there are only four open days in Harney's season. Bag limit is smaller, being three male pheasants on each of the four hunting days.

For those who favor ducks, the season opens November 1 and remains open until November 30th. Bag limit is 10 of all kinds of ducks in any one day and not more than 10 in possession. Bag limit on geese is five in a day; and the open season is the same as ducks.

Ducks can be hunted only from 7 a. m. to 4 p. m. during the open season and all hunters must have a federal duck stamp, which can be purchased in all first and second class postoffices.

Elk Season 10 Days

The season on bull elk with forked horns is from November 8 until November 18 except Kamath county, which is open November 8 to 10th. Elk hunters will be subject to regulations imposed by the game department and must have a check-in slip to elk territory as well as a regular hunting license and elk tag; and must also get a check-out slip when they leave the hunting territory. Small calibre guns are also barred elk hunters.

Chief Executive Bows To Will of Adamant Sugar Bloc.

Wednesday will go down in history as a red letter day for the American sugar beet growers. On that day the President signed the Sugar Control Bill that is designed to curb imports of sugar from the Hawaii Islands and the Philippines, Cuba and Virgin Islands.

Assails Bill
The President made it clear that he was not at all in favor of the bill in that it gave what he called "virtual monopoly to a few seaboard refiners."

Better Prices Assured
While not wanting to be quoted for publication, Sugar beet company officials were jubilant over the signing of the bill and said that they felt that local growers would realize from seven to eight dollars per ton for their beets.

Senators See Prosperity for Growers
Western Senators, who had worked for the passage of the legislation felt that "the President had done a blessing for the sugar industry and the grower in particular. Clark of Idaho approximated that Idaho growers income would be enhanced by at least two millions of dollars thru the increased prices.

Local Factory May Soon Be Built

While no authentication for the rumor could be had, it is felt in local circles that the word of erection of the sugar beet factory will be forth coming shortly. Just where the factory is to be located is a matter on which local Sugar Company officials refused to divulge. It is a known fact however that plans have already been drawn.
