Things About Nyssa's Shops

One is went to think that there i nothing new under the sun at a seed and fuel store, but there, one be all wet. For at the Al Thompson and Son's Feed and Fuel mart there be a new lot of Standard Coal, the which will warm the whole of thine abode and thereby the cockles of thine heart, if thou wilt but give it

Doest wish something new in banks? Tsh, tsh, here is one place that like the friend, the old one that's tried and true is best, and here in Nyssa our place of the money changers, the Nyssa Branch of the First National Bank of Portaln is just that. For friendly and confidential financial service Ye Snooper has never found them

Now at the Owyhee Beauty Parlor we did snoop out that attractive Florence Jackson who doest preside therein and from her did glear that beauty is half or more a matter of fine grooming besides being only skin deep. What with the latest in hairdressing and those new toning up facials which she gives so expertley, even the most 'discouraged of Eves may hope for prettier

Does that ever recurring insur ance bill sound like old stuff. Sheer up, Sistern for 'tis not so. When the fire or that accident descends upon you, then the new and shining check that will come from the same insurance company to repay thee, 'twill be like manna from heaven Be advised by thie humble Snooper and consult thy broker as to what is new in insurance, or if in need of a broker there be Mr. Frank Morgan, or Mr. Don Graham at the Nyssa Realty, or Mr. M. F. Solomon The which there be none better.

Doest have a thing that if it were welded close to another thing thou couldst then use them both? Then do not throw them away and seek some foreign field to purchase another, but call on Mr. Snodgrass on Main near Fourth or Mr. E. W. Pruvn at the Powell Service Station. There they do make such old things into one whole, as good as new, An therein you can rejoice in

Neither, my sistern shoudst thou discard the old and broken down tire until thou hast received the expert advice of Ed Wild at the O. K. Tire Shop. Eddie knows his tires.

Ha, on Monday did snoop through the hole in the Knot Hole News and didst there discover that Mr. Williard Jackson of the Jackson Lumber company doest carry a full line of those things necessary to knock Old Man Winter for a loop and also of 51. A quartet of Boise furinshed some shingles that will beat Pluvius to the drop any day.

Stepped into Mr. Wilson's emporium and there did watch them unpacking stacks of boxes both great and small wherein nestled new stocks for coming winter. Also didst spy some resplendent flowers in autumn colorings. Nice to finish off the new suit or refurbish last year's frock that thou must wear again. Dids't use up all the family's

soap in scouring off the dust deposit from alst Saturday's wind? Then, now is the time to replenish that stock at the Nyssa Pharmacy There you will find cakes of all colors and sizes and prices. At the Mode O' The Day, Ruth
