## RECEPTION FOR TEACHER HELD ON FRIDAY NIGHT

The reception given by the Civic Club to the teachers of the Nyssa School on Friday night was a delightful affair, altho the number attending was not as large as usual.

The program opened with a musical selection, the first two movements of the Concerto by DeBeriot played as a violin solo by Bernice Vorhies Fisher who was accompanied on the piano by Mrs. Willard Jackson.

Mrs. Dick Tensen as president of the club then greeted the teachers and offered the aid and co-operation of the club and the parents in the school district in helping to smooth out any of the difficulties that may arise from our unusually crowded class rooms.

Mrs. Jackson next played as a piano solo D'Vorac's Humoresque and this was followed by Sch. Superintendent Leo Hollenberg who gave a short but interesting talk on how the overcrowded conditions happened to be and why it has been impossible so far to obtain aid of any sort to alleviate them. But he said that the school board had not yet given up hope and that no stone was being left unturned in their efforts to get funds for additional buildings. Mr. Hollenberg then introduced the teachers, both new and old, who in turn made a pretty bow.

Mrs. Jackson and Mrs. Fisher next played "Cossack" by William Kroll and the program ended with a com-

edy skit performed by several of the students and a gay tap dance by Miss Helen Boydell and Miss Irene Poage.

Coffee and a social hour followed when the teachers were welcomed personally by every one. Hostesses pouring at the coffee tables were

Mrs. Mrs. Leo Hollenberg, Mrs. Dick Tensen, Mrs. Andrew Boersma and Mrs. Frank Morgan. Those on the committee for arrangements were Mrs. E. D. Norcott, Mrs. William Schireman, Mrs. Ethel Crawford, Mrs. Bernard Frost, Mrs. Grant Rinehart and Mrs. C. J. Keizer.
