**HOLDS MY FALSE TEETH TIGHTER AND LONGER**

"I've tried several kinds of powders to hold my false teeth. When I tried PASTEETH I found the one powder that does not thin out or wash away, but 'stays put' all day. It gives a most pleasant feeling; a real sense of security and holds and holds and holds. Breath is always pleasant. If anyone with loose-fitting false teeth wants all day comfort and a real stay, were fit insist upon PASTEETH at any good drug store. PASTEETH is alkaline (non-acid)." **McCLURE BROS BAKERY** Phone 20

**Advice To The Road-Worn**

\*\*\*

**E. W. PRUYN, Auto Repair**  
Nyssa, Oregon, Gentlemen:

It is with great effort that I write this for nearly every nut in my body is loose and I'm bruised and battered fearfully.

My driver didn't turn my steering wheel quick enough, and over the grade we went—a ghastly experience.

I'm writing to you because a Chevy I know who called on me the other day said you could work miracles with battered cars. I've been considered quite a beauty, and my heart is nearly broken. Can you restore my beauty—I'm still so young?

Sincerely, Charlotte Chevy.

Dear Charlotte Chevy:  
Of course we can fix you, and you can as ever. A beautiful young car like you shouldn't be maimed for life. You'll have to be in our garage for a few days' treatment, but come along, and we'll work wonders.

Very truly yours,  
E. W. PRUYN, Auto Repair.
