Advice To The Road-Worn

E. W. PRUYN Auto Repairing

Nyssa, Oregon.

Gentlemen: What kind of a country is this, anyway? Say, if I ever get thawed out again I'll leave here so quick you won't get a breath of air for a week on account of the vacuum I'll leave.

This morning I was froze up so tight I couldn't turn over. When they finally started me I sounded like a wood saw engine. Disgraceful, I call it. I'd like to get my wheels on the guy who told me this was a nice climate to live in.

Yours truly,

Oscar Timingear.

Dear Mr. Timingear:

Don't be a sap. What do you think we run this garage for? If you'd have come in here before this cold snap, we'd have fixed you up so you'd never have noticed it. Give us 15 minutes and we'll put you in such condition that when it's 15 below you'll think you're on the equator.

Yours truly,

E. W. Pruyne, Auto Repairing
