Newell Heights

BY MODERN PIONEER CLUB

Kenneth Williams has been having interesting experiences while serving in the navy on his ship the U.S.S. Gold Star. They left their base at Guam when trouble broke in China and have been taking hospital and medical supplies from Manila to China and on the return trip to Manila they take the families of the naval officers. Kenneth wrote that at first the ship was allowed to go up the Yangtze to Shanghai at which time they could not sleep at night because of the roar of guns. However, now the ship stays at sea and smaller boats transport the passengers and supplies. About two years ago Kenneth bought a movie camera and has become quite a fan. This hobby nearly got him into trouble lately when he was sightseeing in Japan while having two weeks vacation from ship.

In the course of their wanderings he and his friends took pictures too close to Japan's naval base. The Japanese took their films and the boys thought for awhile they were going to lose their cameras, too. Kenneth's four years enlistment will terminate in May and his ship is due in Los Angeles in April so he may be back in the community this spring.

While in Manila Kenneth saw Vernon Cook of Nyssa. This is the only person he has seen in three years of his new life.

Tommie Russell is here from Hollywood and has been calling on friends. He plans to put under cultivation his brothers ranch while here and says that his parents plan to come before long.

This community was very happy to hear that Mr. Morgan's mission to Washington D.C. to get CCC help on the project roads was in all probabilities successful. Of the two main arteries from the highway west into Newell Heights one has never been graded or graveled and at times it has been impassable. The men of the community have worked on bad spots but they do not have the equipment to make a good road. This road is used by the government trucks for upkeep on the main lateral and this fall when the farmers were watering and grading the road so the school bus might get through the many heavy reclamation trucks soon had the road in bad shape.

Mr. and Mrs. Harry Denny moved their house to the southeast corner of the place this week to be on the main road and power line and where Dr. Barlow has built a basement and drilled a well.

The Dunaway boys are wintering their fine herd of Herefords on the Schelmer place and sheep are being feed on the Timmerman and Young places.

Pratt brothers are wintering their herd of about three hundred cattle on the Newell Heights. Dr. Moore tested the herd for Bang's disease last week finding very few reactors.

He was assisted by Louis and Gene Pratt, the Kurtz boys, and Messrs. Newby, Penn, Green and DeBoer.

Mr. and Mrs. Jake Borge arrived this week from Oakland to farm their place. Mr. Borge was a metal finisher in the Fisher Body plant. He planned to come the first of March but the plant has been temporarily closed because of the slow-up of business so Mr. Borge felt he might as well get started on the farm. They are spending a few days with Mr. and Mrs. C. E. Harris.

Mr. Leach of Weiser has also been visiting his daughter, Mrs. Harris, and the Harris' went back to Weiser with Mr. Leach Tuesday.

The Maurice Judds had dinner in Parma Sunday with Mr. Judd's mother and called on relatives and friends in Ten Davis bringing home a fine Collie puppy for Ellen and Maurice Jr.

Many friends from Newell Heights attended the last services in Roswell Friday for Mrs. C. E. Winters. Mr. and Mrs. Anderson assisted with the music.

Monday, Mr. and Mrs. Louis Pratt and Gene Pratt were in Ontario on business and called at the Holy Rosary hospital to see their friend

Mrs. May Pumphrey of Bonita.

Mr. and Mrs. Duane Anderson attended the grange card party at Oregon Trail Friday evening.

Bill Kurtz, Ellen McConnell and Lucille Thrasher attended the conference at Ontario Saturday and enjoyed hearing Dr. Miller of C. of I. and Superintendent Howard of La Grande Normal speak.

Reverend Chandler of Caldwell and Neil Osborn called at the Kurtz home Sunday evening.

Friends are glad to hear Mrs. Zamora is home from the hospital. Mr. and Mrs. C. W. DeBoer of Ontario called Tuesday on their daughter Mrs. Louis Pratt.

Ted Rogers is still a regular visiting or to the doctors but is much better.

Mr. and Mrs. Lester Goulet and Mr. and Mrs. Stanley Goulet entertained at dinner and cards Saturday evening for Messrs. and Mesdames Henry and Paul Hatch and Mr. and Mrs. Kenneth Parker.

Mr. and Mrs. John Huenehens of Ontario were Sunday guests at the home of Mr. and Mrs. George Mark-
