Meaning of Word "Ibid"
"Ibid" is a contraction of the Latin adverb "ibidem" and literally means "in the same place." It is used chiefly to avoid repeating a reference, particularly after a quotation to indicate that it is taken from the same book, chapter or other source as the preceding one.

THUMBNAILED HISTORIES OF CLASS OF 1938

Doc Douglas—

Came to Nyssa schools as a freshman. He is 18 years old and expects to live for the rest of his years. Doc likes to play pool and swim. His hates are cats. His real name is Francis, but who knows it?

Leslie Crocker—

Is another student who came here as a freshman. His favorite pastime is munching pie and peanuts. He likes red hair, but he doesn't like red finger nails.

When Les graduates he desires marriage.

Marjorie Gahan—

Came from California to Nyssa at the first of this year. Excels in school work and "Slenderness contests."

Her pet hobby is telling of her adventures in the "Napa Insane Asylum."

Marjorie, commonly called "Blondie" prefers them tall, dark and handsome.

After graduation she intends to keep the home fires burning.

Lucille Thrasher—

Is one of the seniors who chose Nyssa for her school town; in fact she has gone here 12 years.

She is often nicknamed "Lucy", but just ask her if she likes it.

She keeps her girlish figure by taking part in athletics and refusing thick milk shakes.

Plans to go to Oregon State college and meet her old friends.

Edward Boydell—

Is another Nyssa patriot. He has gone to school here 12 years. Ed wants to go to college, then on to Portland to learn how to pull teeth.

He likes "suds" and golf, hates coconut, and work, but has sudden bursts of great energy. Ed thinks Mr. Hollenberg is an excellent wrestler.

Ellen McConnell—

Is the class mischief-maker. (No wonder she eats sour-kraut and weiners three times a day.)

Mac likes red finger-nail polish and wears it. It must be her favorite color, because she likes red hair too.

Her dislikes are cheap perfume, hats, and matinee dances.

If you would like to check up on Ellen, just drop in at the Adrian Drug store for a soda, or better yet,

ask Jack McKee.

Jimmy Savage—

Is our fastest sprinter. (I wonder if Viola is his trainer?)

He is 17 years old and in previous years went to Bonanza high school. Jimmy says he likes Viola and nothing or no one else. Just as a side issue, he doesn't like sissies. When noise prevails, you know the Savage is present.

Jack McKee—

Was born in 1920 in our nearby town of Nampa. Has gone to school in Wilder, Vale and Oregon Trail. He likes milk-shakes, but not raspberry lipstick. He would like to have a million dollars, but doesn't know how to get it.

Jack complains about the side streets of Adrian. "Can't they fix 'em."
