Nyssa at Vale.

Nyssa climbed into a tie for the leadership of the Idaho-Oregon baseball league Sunday by defeating the highly favored Boise team 9 to 5 on the local diamond. Steady portside pitching by Dean Johnston spelled defeat for the highly touted Boiesans.

Boise opened the scoring in the first by scoring on a walk and Rector's double. Nyssa however, took the lead in the third on Stone's double with the bases loaded and added their fourth run in the fourth on two walks and Paul Johnston's single. Boise again took the lead by scoring once in the fifth, twice in the sixth on Phillip's home run and Paul's triple, and once in the eighth on singles by Moore and Lyke. Nyssa won the game in the eighth by driving Rene, star Boise southpaw, to the shower under a barrage of hits to score five runs. Previous to the Nyssa game Rene had pitched 26 scoreless innings.

Hashitani, George Johnston and Dean Johnston with two hits each led the Nyssa hitters while Moore, Lyke and Rene lead the Boise batters.

At a meeting held in Ontario June 15 the game between Nyssa and Vale played March 29 was ordered replayed by Bill Gove league president. The game will be played at Vale this coming Sunday, June 19. A victory for Nyssa will assure them of a tie for the league first half championship. Should Boise lose their remaining game with Ontario and Nyssa defeat Vale, Nyssa would then have won the first half championship.
