OWYHEE P. T. A.—The Owyhee school has three teachers and approximately 85 pupils. We have 25 paid up members in our P. T. A. which meets at the school house the second Friday of the month at 2:30 p. m. Our attendance through the year has been good, with but one exception a perfect record for our president and secretary.

Our aim is to promote the welfare of the children and youth in

our community, particularly along educational lines and also to study that we may be better parents and teachers.

We sponsor the 4-H club in our community of which this year there are eight and we send our outstanding boy and girl to the summer school at Corvallis each year.

Our first activity of the year was a joint meeting with our community club at the home of Mrs. T. M. Lowe at Mitchell Butte where we listened to reports from the 4-H young people who had recently returned from the summer school. We were nicely served with refreshments by the cooking clubs of the community.

After the start of school the teachers reception was shortly followed by a Halloween party for the school children.

Our money making enterprises for the year were as follows: In the fall a carnival netted us the largest amount we took in at any one time. Five aprons were sent to the members of our organization and donations were sewed on them in the form of patches and after the patches were removed the aprons were awarded to the one drawing the lucky number. A basket social, two cooked food sales and a candy and sandwich sale also added to our fund, and we made arrangements for the showing of a play from another district.

We helped with the Christmas program by purchasing material and making approximately 75 costumes for the play. We also purchased material and had made a back for the stage in the school house. We bought one hundred cups for P. T. A. and school use.

We co-operated with the American Legion Auxiliary in giving help to those in need in the neighborhood.

Along Educational lines we listened to a program commorating Education and Book week, a talk on books by our county librarian and several talks on health by our members. We contributed to the McLaughlin Memorial fund and the presidents traveling fund. Both county councils for the year were attended by our teachers, our president and several additional members. Our president and two members attended the Parent Teacher school held in Ontario by State president Mrs. Walls and National secretary Mrs. Roe. Educational pictures including several on 4-H work were shown through the year. Our members helped at the summer round-up and a vaccination clinic and we are glad to know that approximately all the children of the school are now immune from small-pox.

Perhaps the high light of our year was the Founders Day services in which we also wished to honor our instigator and very loyal supporter of the P. T. A. work in our community as well as the entire section of eastern Oregon, a former state vice president Mrs. T. M. Lowe. In using the candle lighting ceremony Mrs. Lowe was asked to light the first candle from which the seven others were lighted as a fitting symbol of the start and continuation of her work here.

We have splendid workers in our unit and have had the co-operation of our community. We feel that time and effort in the work have been well spent. We also have the satisfaction of known the 4-H Union Pacific scholarship was awarded to a young lady in our district. We feel that we are well organized and ready for a better year to come.

Son Improves—Vernon, the small son of Mr. and Mrs. Bernard Frost who has been seriously ill with pneumonia and under the care of Dr. L. A. Maulding for the past three weeks is now considerably improved.

Mother Improves—Mrs. A. Stelke who for the past ten days has been caring for Mrs. Dennis Toombs and the new baby born on June 22 has returned to her home again as both Mrs. Toombs and the baby are improving rapidly.

Visit From Family—Mrs. A. L. Atkeson and family and Miss Helen Foster of Dillon, Mont., have been visiting with Mr. Atkeson for the past week and have been guests at the Norton Douthit home while here.
