AT LEAST—NO "PAT ON THE BACK"

SALEM, Ore.—O. Henry O'Leen, state representative from Columbia county for the past six years will sidestep politics for the time being, he declared on a visit to Salem this week. Rumor had it that O'Leen defeated for the Democratic nomination for governor, might seek a return to the legislature as an independent candidate.

A BIRDS EYE VIEW OF THE CAPITOL

The scale model of the new capitol building which has been on display in the lobby of the state office building for several months is soon to be sent to the architectural school at the University of Oregon.

H. C. L. NOSEDIVES

The high cost of living slipped substantially in the three month period between March and June according to records of the state purchasing department. Cow beef, of which state institutions use about 90,000 pounds every three months and which was quoted at \$10.65 per

100 pounds in March was offered at \$8.96 when bids for the new supply were opened this week. Steer beef prices were down from \$12.83 to \$11.97.

ANOTHER OLD AGE PENSION

At least one old age pension bill will be on the November ballot. Completed petitions for the Citizens Retirement bill, sponsored by Elbert Eastman, Portland attorney, were filed with Secretary of State Snell this week. The measure provides for a monthly pension of not to exceed \$100 for all persons 65 years of age or over who would cease gainful employment, the pension to be financed by a two percent transactions tax. This is the second initiative measure for which petitions have been completed. Deadline for completing petitions is set for 5 p. m. Thursday of this week.

FORMER PATIENTS SHOW APPRECIATION

Approximately 75 former patients of the state tuberculosis hospital at Salem attended the annual home coming at the institution Friday and Saturday. Dr. G. C. Bellinger, superintendent of the hospital, says that one woman visited the institution who had been a patient there more than 20 years ago and a number were present who were discharged as cured more than ten years ago.

INSURANCE PAYS

Oregon residents paid out a total of \$11,085,928 in insurance premiums during 1937, according to the annual report of Hugh Earle, insurance commissioner. This was an increase of 8.18 per cent over the 1936 premiums. Oregon policyholders, on the other hand, collected a total of \$91,877,025 in claims during the year, representing 52.2 percent of the premium payments. A total of 524 companies writing all kinds of insurance, were operating in Oregon last year, Earle's report shows.

Sun-Dipped Tire 760

FOR AS LITTLE AS \$7

FIRESTONE cuts the cost of Tire Safety just at the time when you need a new set of tires. At this time of the year you should replace tires that are worn and smooth for greatest safety during the summer driving season. Tires may look alike on the outside—but inside they are different. The name FIRESTONE on a tire is your assurance of extra safety and long mileage because only Firestone Tires are built with these patented and exclusive construction features:

Gum-Dipping, the Firestone patented process by which every fiber of every cord in every ply is saturated with liquid rubber, counteracts tire-destroying internal friction and heat which ordinarily cause blowouts. Nine extra pounds of rubber are added to every 100 pounds of cord.

Two Extra Layers of Gum-Dipped cords under the tread, another patented Firestone construction feature, protect against punctures.

Scientifically-Designed Non-Skid Tread made of tough slow-wearing rubber, assures safer stops and longer non-skid mileage.

Now that Firestone gives you all of these safety and economy features at these low prices, you cannot afford to take chances with unsafe tires this summer. Come in today and join the Firestone Save-A-Life Campaign by equipping your car with a set of new Firestone Convoy Tires—the safest tires that money can buy at these low prices.
