Strawberries, Cream and BEET SUGAR

Doesn't it make your mouth water to realize that it will soon be strawberry season when you may indulge your appetite for the luscious berries—drenched with thick cream and sprinkled with sparkling beet sugar to give it that "just right" taste? It is one of Life's joys to be able to relish this delectable dish! And this dish is a health-producing one for you. It will give you energy and zest. Remember to use BEET SUGAR bought from your nearest grocer because it is chemically equal to other sugar and tastes exactly the same. Sugar is a dietetic necessity and produces energy immediately in the body. It is a healthful body stimulant. So keep the family in good spirits by serving this delightful dish!
