FUN'N FACTS

By ED. PRUYN

A customer gave us a shock the other day. She asked us why we never advertised.

Imagine our surprise, as our ad has run more or less regularly.

When we told her we did advertise and showed her an ad to prove it, she said, "Yes, but they look so much like all the rest, why don't you doll them up a bit so they'll be easier to catch?"

That set us to thinking. Maybe she was right.

So here goes for a brand new idea. We'll run a column. You know, like Irwin S. Cobb and Walter Winchell, but we'll try to give you a few smiles now and then.

And yes, you're right, we will probably talk a little about the popular priced garage business.

We might even kid some of you, now and then, but that's a sure sign we like you, so wait for our literary efforts in the issues to come.
