WEST AND WEST MEET TONIGHT

HAROLD HOSHINO
Will Fight in Top Spot for Legion Card Tonight

Legion Opens Fight Season

SALES YARD PAVILION EXPECTED TO BE JAMMED

The event that the fight fans of Nyssa have been waiting for will take place tonight in the pavilion of the Nyssa Commission company, at the south end of Second street, when the first bout, of the Nyssa American Legion will start at 8:30 sharp. Of no small importance will be the main event, between Harold Hoshino of Pendleton and Tony Dominguez of Shelley, Idaho. Hoshino steps into the ring tonight after a brilliant career in the Pacific northwest fightdom. Last year Hoshino was featherweight champ of the Northwest Golden Gloves Tournament and since turning Professional has had 7 bouts 6 of which he has won, 2 by K. O. route and has only lost one fight, and that by a decision to Ray Price of Seattle. The little Japanese is not a boxer but he has a reputation for a hard hitter.

Tony Dominguez will prove a hard opponent for the Pendleton Flash. Tony himself has much the same sort of a record as Hoshino. It should be a scrap made to order for the wildest eyed fan. The semi-windup should see plenty of action as the two boys in this spot are in for blood, having engaged in a dance hall scrap in which neither of them were satisfied as to the outcome. There will be three other bouts on the card, all of which the committee in charge promises will give the fans a chance to see plenty of action.

NEW CAR MODELS ANNOUNCED FOR 1939

CABLES CHEVROLET ANNOUNCE NEW MODELS OUT SATURDAY

The Cables Chevrolet company of Ontario announced this week that they will have the new 1939 model Chevrolet on their sales room floor Saturday of this week.

According to Lee Cables, the new Chevrolet will carry several outstanding improvements over previous model. Arrangements have been completed to show this new model to the public on Saturday, to which showing a large and interested crowd is expected.

Son Home—

John Ernest was home the greater part of last week unable to work because of an infected hand. The hand is somewhat improved but John is still not able to work and is visiting with relatives in Payette this week.

NEBRASKA MAN OPENS GAMBLE STORE

FORMER SPRINGVIEW MERCHANT IS OWNER

George C. Henneman, of Springview, Neb., announced this week that he will formally open his Gambel Store Friday of this week. This is the first time that a Gambel Store has been in Nyssa.

Henneman is a former garage and filling station operator and after giving up his business in Springview came to the Snake River valley to look for a possible opening. After touring the valley he decided that Nyssa offered the best possibilities. Associated with Henneman in the store will be his wife.

LADIES G. O. P. CLUB TO MEET TUESDAY

ORGANIZATION'S COMPLETION TO BE EFFECTED AT MEETING

The Nyssa Ladies Republican club, recently organized, will meet next Tuesday night at 8 p. m. in the city hall to complete their organization, according to Mrs. S. E. Smith, president of the club.

E. Otis Smith, chairman of the county central Republican committee will be present to assist the ladies in their work. All precinct committeewomen and other ladies of Republican affiliations are urged to be present.

Following the completion of the organization work, issues of vital importance to the voters of the nation will be discussed.

SNEAK THIEVES RIFLE NYSSA CARS

DR. SARAZIN LOSES MEDICAL KIT FROM CAR WEDNESDAY

Motorists are cautioned by local police to be sure that the doors of their cars are securely locked when leaving the car standing alone on the streets, as there is evidently a ring of thieves going about pilfering from unlocked cars.

During the past week groceries, robes and wearing apparel have been reported as stolen from unlocked cars standing in various parts of the city.

The latest and perhaps most serious theft to be reported is the physicians bag taken from the rear of Dr. J. J. Sarazin's car about 8 o'clock on Wednesday night while the car stood in front of his office on Main street.

Dr. Sarazin is in hopes that when the thief learns the contents of the bag that it will be returned and if so, no questions will be asked.

NYSSA LOSES TOUGH GAME TO VALE

TWO SCORING THREATS FAIL TO MATERIALIZE

Nyssa high school will meet the strong Emmett Huskies here next Thursday afternoon. This will be the last conference game in Nyssa until Ontario plays here Armistice day.

Nyssa lost a 12-0 battle to the Vale Pirates at Vale yesterday afternoon. Interception of Nyssa's passes opened the way to both Vale scores.

The Bulldogs started by taking the ball on their own 35 yard line after Vale's kick went out of bounds. Play in the first period was in both Vale and Nyssa territory. After Vale had been forced to kick from near their goal line, a Nyssa lineman broke through and blocked the kick on the Vale 6 yard line. Ray Graham recovered. A clipping penalty ended Nyssa's first scoring threat.

The locals second chance came late in the second quarter. A series of passes from H. Holmes to Graham and Graham to Holmes followed by the two first downs from scrimmage by Stanley Ray carried the ball again to the 6 yard line. Line plays carried the ball to the one-yard line where it was lost as the half ended.

Vale's first score was made late in the third quarter following interception of a pass in midfield and two 15 yard penalties on the Nyssa team. Line drives carried the ball over from the 15 yard line. Vale failed to convert. The score stood Vale 6, Nyssa 0.

Late in the last quarter, Smith, Vale end, intercepted a pass on his own goal line and ran 100 yards for the second Vale score. The attempt to convert failed. The score was Vale 12, Nyssa 0.

The Nyssa starting lineup included Patterson and Garham, ends, G. Holmes and Zamora, tackles, Keifer and Whitman, guards, Lewis center, Benson and Gaston halfbacks, Ray, quarterback and H. Holmes fullback. Substitutes were Kurtz and Schneider.

There is a possibility that the Emmett game may be held Friday afternoon instead of Thursday.

Sugar Acreage Allotment Rapped

NATIONAL RECLAMATION ASSN. PROTESTS SENT TO PRESIDENT

The National Reclamation association, meeting in Reno, last week went on record as opposed to the recent acreage allotment for sugar beets, especially as it applied to the western states, according to word from Frank T. Morgan, president of the Oregon Reclamation Association, Morgan and E. C. Van Petten, of Ontario jointly submitted the resolution opposing the allotment. Copies of the resolution were sent not only to President Roosevelt, but to every member of congress from the western states, of which there were fifteen represented by delegates. Gathered at the convention were about 650 delegates, the largest attendance yet at any of the association conventions.

According to Morgan two other resolutions, of the eighteen passed, were outstanding. One has to do with the construction repayment by settlers on irrigation project lands. The method recommended was that of a 5% crop repayment. This plan would allow the farmer to make his construction cost payments on a basis of an average, for the individual project of 5% per acre of the total crop production return for the previous year. Which would mean that if crops were good one year, the farmer would be expected to pay more toward the construction cost than in a year when crops would be below the average. The Federal Land Bank, according to Morgan, would be willing under the 5% construction repayment plan, to make loans to farmers on irrigated projects, something that at the present time the bank is reluctant to do.

Of equal importance to the foregoing resolution is another that would allow the use of CCC labor in the irradiation of noxious weeds. At the present time the three C's cannot be used on private lands and if this resolution is favorably acted upon it will help to solve a problem, that each year becomes more and more difficult to handle.

Morgan to Attend Reclamation Meet

OREGON CONGRESS TO MEET IN REDMOND 21 AND 22

Frank T. Morgan, president of the Oregon Reclamation congress left today to attend the 28th annual convention of that body, to be held in Redmond Friday and Saturday of this week.

The meeting will be held in the Legion hall, with the early morning of Friday being devoted to the registration of delegates and the inspection of the various exhibits in the hall.

The morning session of the convention will be devoted to the reports of standing committees, financial reports, the appointment of 1939 committees and hearing addresses given by F. O. Hagle, executive secretary of the National Reclamation association and Rufus C. Holman, member of the State Reclamation commission. The afternoon session will take up the subjects of irrigation and drainage, lectures being given on those subjects. The annual banquet will be held Friday night.

Saturday will be given over to addresses, discussions, open forum and business session.

Secretary-treasurer of the congress is W. L. Powers of Corvallis.

H. E. HIGHT BUYS REGISTERED BULL CALF GUERNSEY

NYSSA HEIGHTS FARMER ADDS TO ALREADY NOTED HERD

NYSSA HEIGHTS—H. E. Hight recently purchased "Deekes Butter Boy" a fine registered Guernsey bull calf 5 months old. This is the third herd bull obtained of Chas. Pritze of New Plymouth. Three years ago H. E. Hight purchased "Chocona Cyrees" the aged herd bull of Presdale farm.

Two years ago he was awarded "Corporal of Presdale" at the Ontario fair for having the best Guernsey in Malheur county.

A few weeks ago Mr. Hight sold Corporal to B. E. Cozier of St. Anthony. Mr. Cozier with a party of men including the county agent of St. Anthony traveled over 1500 miles looking for a Guernsey bull. It is believed that Corporal brought the highest price of any bull that was ever sold in Malheur county.

Corporal was a great grandson of "Lonwaters Eastern King" a bull which sold for \$35,000 the highest price ever paid for a Guernsey bull.

Mr. Hight will be milking 13 cows by Jan. 1 everyone has been raised by the Hight family. The old foundation cows were bought in Tillamook as baby calves and trucked in by the Hights seven years ago last May of the five calves trucked in to Malheur county three are still in the herd. Up until this year Mr. Hight has never offered for sale any of his choice cows, but they got an extra good crop of heifer calves last year which were sired by Corporal thus giving the public the privilege of getting a few of their good calves. The butcher gets few veal calves at the Hights as every well marked baby bull calf has been sold for breeding the passed several years.

Last year the Hight family moved to their homestead 4 1/2 miles northwest of Nyssa having formerly lived in Big Bend. Mr. Hight says that dairying in Malheur county is much easier than along the coast. The hay raised in Malheur county is much superior to hay raised in coastal sections of Oregon having one third more food value and in some cases a half more food value. There is much more trouble with disease in the low wet altitude of coastal sections than here. This section of Oregon is a cows paradise but it certainly lacks in cows bred for high production.

'ROUND TOWN

That snazzy new display counter at the Nyssa Pharmacy... Ed Case divvying up on the elk... Hear A. L. Fletcher is looking about for something new and modern in the way of hitching posts to park outside his law office... and Jim Boor with double span of draughts hauling beets to market in a rubber tired truck... Petty thieves causing annoyance.

REBEKAH'S HOLD DISTRICT MEET

ROWENA MANSOR ELECTED DISTRICT PRESIDENT

With the selection of Mrs. Rowena Mansor of Vale district president and Vale as the convention city for 1939, the convention of Rebekah District No. 24, held in the Episcopal church, came to a close shortly before midnight last night.

Sixty-five Rebekahs, from Jordan Valley, Vale, Ontario and Nyssa, were in their places when Noble Grand Jennie Baker at 2 o'clock yesterday afternoon, in the church room elaborately decorated with fall flowers, opened the preliminary session of the Nyssa lodge. The meeting was then turned over to convention business, with Mrs. Mae Pierson of Spokane, a member of the local order, at the Noble Grand station and Cermua Beam, Merle Johnson, Blanche McClure, Mary Felton, Albertine Smith, Helen House, Gladys Hill, Gertrude Blanton and Winifred Divine occupying the other positions.

A welcome was extended to State President Rickert who responded briefly. Highlight of the afternoon convention were a floral parade, during which the officers were presented with bouquets of yellow roses, and memorial services conducted by the Nyssa lodge.

A banquet for the visiting delegates was held in the Royal Cafe balcony at 7 o'clock.

During the evening session the Ontario team exemplified the degree work. Mrs. Jessie Graham, Mrs. May Solomon and Mrs. Ann Smith, all of Nyssa, were initiated into the order.

State President Rickert again addressed the convention, giving an extended review of her work throughout the year.

Final Payment On 1937 Beet Crop

LAST PAYMENT BRINGS TONNAGE PAYMENT TO \$7.075

Beet growers being served by the Amalgamated Sugar company in the eastern Oregon and western Idaho territory will receive on October 20, final payment for the 1937 beet crop. This payment amounts to \$24494 per ton of beets and will total slightly less than \$22,000. Coupled with this payment the beet growers shall have received for last year's crop \$7.075 per ton of beets. The Sugar company made an initial payment last November of \$5.00 and the government made a payment this summer of \$1.83 from funds collected out of a sugar processing tax.

The new plant in Nyssa is now grinding 1938 beets and in the first week of operation has performed very satisfactorily. On the best day it has sliced 2200 tons. It is expected that as operation continues the daily cut shall materially exceed that figure.

Beet harvest, although somewhat enhanced by the storm of the past weekend, is now rapidly approaching peak deliveries, which when attained should be maintained for at least three weeks. Deliveries are being made at 20 different points through the district and at nine of these points beets are being received in storage piles from which they will be removed as the factory demands. Exceptionally good yields are being made throughout the district with several crops, already harvested, being reported well in excess of 18 tons to the acre.

A high record in tonnage of sugar beets cut for the boiling vats was established at the Amalgamated Sugar company plant by No. 2 shift of workmen during the hours from 4 p. m. until midnight Monday. Seven hundred and twenty-four tons were prepared for the vats during those hours, notwithstanding the beet pump was shut down for repairs from 4 until 4:30 o'clock, according to a reliable report to reach the Gate City Journal. From 4:30 until 5 o'clock 38 tons were cut and from 5 to 6 o'clock, 83 tons. Then for five successive hours 101 tons were cut an hour, the shift wind-up its last hour, 11 to 12 o'clock, by handling 98 tons. The hitherto high record at the plant was established by the same shift of workmen one night last week, 715 tons.

Guests of Greer Family—

Mr. and Mrs. E. C. Banta and two children of Albany, Ore., were guests at the J. C. Greer home over the week end.

Two Tickets Named For City Offices For Coming Term

NYSSA TEACHERS GO TO INSTITUTE

FOUR COUNTY CONFERENCE MEETING IN PENDELTON

The Nyssa schools will be closed for the remainder of the week to allow the teachers to attend institute which is being held at Pendleton on Thursday and Friday.

M. Hollenberg stated that all teachers from these schools would be present and the most of them left by motor for Pendleton early this morning.

There are six counties participating in this regional conference of the Oregon State Teachers association, Malheur, Wallowa, Baker, Umatilla, Union and Morrow with the superintendent of each county a director. Mrs. Katherine Claypool being director from this county.

Superintendent Leo D. Hollenberg also has several important positions in the conference. He is a member of the nominating committee, is chairman of the psychology section, and of the informal discussion.

Following the conference there will be a banquet and a dance for all teachers and guests present.

ROW CROP HARVEST GETS UNDER WAY

PEAK OF HARVEST EXPECTED ABOUT THE END OF MONTH

While shipments of farm produce from the rich lands in the Nyssa territory may be termed as just getting underway, still 24 carloads from the F. H. Hogue packing house and warehouse have rolled out of the Union Pacific yards since October 1, according to records at the local freight office.

Up to Tuesday night, 9 cars of onions had been shipped, 2 of potatoes and 12 of lettuce. Prices at the markets are fluctuating daily. White onions were selling this week for \$1 to \$1.10 a sack loaded on the cars. For lettuce from 90 cents to \$1 a crate was being paid. Good grade potatoes were commanding 65 cent a sack.

On the whole, the quality of the produce averages better for this time of the year in the Nyssa district. The heaviest shipments are expected to occur the last of this month and the forepart of November.

APPLE VALLEY HAS GOOD ONION YIELD

GOOD YIELD BEING PACKED OUT IN U. S. NO. 1 GRADES

APPLE VALLEY—The rain Friday and Saturday stopped the hauling of onions to storage. Onions had been steadily moving into storage in the packing house and air storage at Apple Valley. Every available place will be packed with boxes or sacks of onions. In the packing house proper, the onions are in boxes stacked nine high. Box and onions weighing on an average of 50 pounds, where the onions are sacked in the field, they are stored in racks five high. This method is used in the air storage. A dry storage with good ventilation and a uniformly cool temperature seems essential to keeping onions at their best. Some wonderful yields are reported and exceptionally large onions are being packed out in United States No. 1 grade. About 50 acres of onions were raised in this neighborhood this year. Besides these, other onion growers are storing their crop at the Apple Valley storage.

Vertrees and Norlands and Otanis cut lettuce Monday; several smaller fields will be cut this week. Quality is very fine, it is reported.

P. U. C. VIOLATORS FINED IN J. P. COURT

STATE OFFICERS ARREST THREE LAW VIOLATORS

Justice of the Peace Williams had three traffic law violators before him this week, the arrests being made by State Officers.

F. Holman and T. Okura were both assessed fines of \$10 and cost for lack of P. U. C. plates on their trucks. A. I. Weaver was arrested for overloading his truck and fined \$50 and costs.

Thompson and Graham Nominated To Fill Mayor's Office

Two tickets, each nominated by a different group of Nyssa citizens, will face the voters in the city elections on November 8.

One of the tickets, sponsored by the Good Government League, has as its candidates Al (R. A. Thompson) for Mayor, while for councilmen the League nominated Leslie McClure, J. C. Olsen, Carlos Buchner, and Ronald G. Whitaker. M. P. Solomon is the League's choice for recorder, a position that Solomon now holds. Miss Margaret McNulty incumbent treasurer was nominated to succeed herself. One member of the League said that "this ticket, contrary to stories that are already being spread around, is not going to turn the city upside down, but we of the League feel that these candidates will give to the city an efficient and able city administration, and that is what we are after."

Petitions for the nomination of the Good Government League candidates will be out for signatures this week, and will when completed, be filed with the city recorder M. P. Solomon.

About twenty citizens gathered at the city hall Monday night for the caucus called by the council. At this meeting the following ticket was nominated, Don M. Graham for mayor, nominated by Judge W. J. Williams, for councilmen L. T. (Doc) Marshall and Dr. J. C. Bowman nominated by Don M. Graham. (Dr. Bowman has since asked to have his name withdrawn) Leslie McClure nominated by Bernard Frost, J. C. Olsen nominated by E. Frost, Al Thompson nominated by Don M. Graham (Thompson has formally notified the city recorder to withdraw his name as candidate for councilman).

The other two incumbent councilmen were also nominated but declined the nominations. Councilman Burbridge nominated the incumbent recorder, M. P. Solomon for city recorder. Burbridge told the group that Solomon should be re-elected to the office of recorder on the splendid record that he had made during his present term of office. Earl Scheneberger was nominated to oppose Solomon by L. T. (Doc) Marshall. Scheneberger is employed at the present time in the Smoke Shop on First street.

Miss McNulty will be unopposed for her present position of City Treasurer by reason of the fact that this meeting also nominated her for the position. The nomination was made by Heinz Sonnakes Elected as chairman and secretary of the meeting was Louis P. Thomas and Charles Parads, respectively.

Feeder Co-op Is Organized Monday

ELECTS OFFICERS WITH FRANK HOPPER PRESIDENT

Final plans to complete the organization of the newly organized cooperative livestock feeding association to be known as the Producer's and Feeder's Cooperative association were completed at a meeting of the incorporators at the County Agent's office in Ontario, Monday night, October 17.

Officers elected at the meeting were: President Frank Hopper, Weiser; vice president, Vernon W. Butler, Ontario; secretary, F. S. Bailey, Ontario; treasurer, Martin P. Gallagher, Ontario; board of directors, Frank Hopper, Weiser; Vernon W. Butler, Ontario; F. S. Bailey, Ontario; R. H. Wood, Weiser and G. C. Vest, Ontario. Final papers to complete the organization under the cooperative laws of Oregon were signed, and the secretary was instructed to see that these papers were properly filed.

E. N. Sanberg, a capable livestock feeder from Grandview, Idaho, with over fifteen years of experience in cattle feeding, was employed as manager for the association. It is expected that Mr. Sanberg will be on the ground within two or three days and will proceed to start a campaign for membership and take steps to bring cattle and feed to (Continued on last page)
