CARD OF THANKS

We wish to thank our friends and neighbors for their kindness, sympathy and for the beautiful flowers during the illness and death of our loved one—Mrs. Geo. Mac Lafferty, Laurence Mac Lafferty and family, Dr. B. N. Mac Lafferty, Dr. N. C. Mac Lafferty.

NEWELL HEIGHTS

Rev. and Mrs. Eichelberger were dinner guests of Peter Pinkstons Monday.

Mr. and Mrs. Glenn McGinnis and mother of Mitchell Butte and Mrs. Virginia Linville and sons of Sunset Valley were Sunday callers at the Alvon McGinnis home.

Shirley and Patricia Smith have been quite ill the past week. Last Tuesday the officers of Kingman Kolony grange presented the traveling gavel to the Snake River grange near Weiser, there were 19 present.

A stork shower was given by Mrs. Chas Harris for her sister, Mrs. Jake Morge Tuesday.

Mr. and Mrs. Cecil Smith took a load of hogs to the Nampa sale last Saturday.

Mr. and Mrs. Duane Anderson attended an L. D. S. cottage meeting at Parma last Thursday.

Mr. and Mrs. Andrew McGinnis of Nyssa were callers in Newell Heights Monday.

Last week while mowing hay for his father Cecil Smith became entangled with a kicking mule and received a very bad bruise on his leg.

Ted Rodgers is planning a nice basement house this fall.

Arnold Shipley and his father went deer hunting Sunday.

Geo. Mendazona is pasturing his sheep on the Overstreet, McGinnis and Smith fields this week.

Walter Pinkston is having a well drilled in the near future.

Gerald Shipley assisted Cecil Smith in digging his potatoes this week.

The rain wasn't so good for the farmers as most of them still have clover to thresh, but it has surely helped the roads.

COW HOLLOW

By The Happy Farmer

Many of us are really working now to get our cisterns completed and filled before the water goes off in the canals.

Johnny Hamilton has had his cistern completed four of five days but hasn't filled it yet.

We think Johnny better get it filled and see if it is going to hold. Many a farmer last year, barely got his cistern filled when the water went off, only to find it would not hold and the water gone in the ditch.

Russell Howell has made two cisterns one large one for stock and a smaller one for house use.

Upon filling the smaller one he found it would not hold so he drew the water out and white-washed both cisterns with pure cement and water. He doesn't have to worry about hauling water any more.

Elza Niccum, Clarence Niccum and Chuck Share are all racing with time to see if they can get their cisterns completed and filled before the water goes off.

Doc Raffington and Elza Niccum were the only ones in Cow Hollow to dig a cistern last year and they both are completing a stock cistern for this year.

Chet Sage has had his cistern completed and filled for several days.

Chet is one of the few farmers in Cow Hollow that hires a man and gets his work done when it should be done and his crop sure shows it too.

We believe that is one of the most common mistakes most farmers make is by not getting a job done when it should be done not one, two or three weeks later.

Clarence Niccum made himself a stock pond last year which he hoped would hold water. He made it the last minute he dared wait, it was about eight feet deep and lacked about six inches getting full before the water went off.

The first night the water dropped about two feet in it, next day another two feet, it held two weeks and two days. He has kept it full all summer this year. It has been a fine swimming pool.

A while back he shut the water off for two weeks to see how it would hold and it dropped about six inches in two weeks. He hopes to have stock water in his pond until New Years this year.

They say "possession is nine points in law" and Noah Howard still has possession of his homestead. A few days back a big car with Mr. Newell of Boise, Mr. Haycock and Mr. Morgan of Nyssa came up the Hollow and up to Howards. It is reported that they tried to explain to Mr. Howard why he lost his homestead and tried to make a peaceful settlement with him, but the Howards don't want a settlement they want the homestead and well they are still living on it.

It looks bad to see the government take a mans homestead and give it to another, but the government has given these homesteads to us and we have obliged ourselves to follow certain rules and laws and it is poor rules and laws that haven't any teeth in them to make us obey them.

An aluminum ware company entertained a large group of neighbors at the home of Mr. and Mrs. Dale Limbaugh last week of course it was an advertising stunt but the neighbors enjoyed a fine supper and the entertainment and the company gave Mrs. Limbaugh a real nice hammered cast aluminum stew kettle which she is very proud of.

Clarence Niccum and family made at three day trip to Wendell to see their parents and to take home Mrs. Niccum's sister Miss Cora Short who has been staying with them all summer and has helped them to can up a very nice supply of fruit for winter use.

Monday night saw our first frost for this year in Cow Hollow. We have all appreciated the fine late fall, but even then some of us was not prepared for the heavy frost.

Some of us had late crops that were still green but owing to the shortage of feed we were letting them grow till the last minute expecting to jump out and cut them as soon as the frost hit. And now how are we going to jump out and harvest them which must be done now, and still complete our cisterns and fill them before the water is gone which must be done also?

Chet Sage and wife made a trip to the home of his parents, near Nampa Saturday afternoon and returned in the night. Dale Limbaugh did Chets chores Saturday night and then he and wife and daughter made a trip to the home of his parents at Emmett and returned Sunday afternoon. Chet did Dales chores Sunday morning. Thus so they both got to go home so everybody was happy.

Ho! The Happy Farmer is also a trapper as he has caught three mice in one trap while writing this article. The frosty weather is driving the mice in from the fields.

Local Girl Honored—Word has been received by Dr. and Mrs. J. J. Sarazin that their daughter Isabel, who is now attending art school in San Francisco, was awarded the popularity cup at Oregon university for last year.

The cup is a yearly award of the Alpha Omicron Pi sorority to the most outstanding freshman girl of all round activities.

OUR DIVIDENDS

If there is any single factor that makes for success in living, it is the ability to draw dividends from defeat. Many times success has been reached because the person was able to analyze defeat and actually profit by it in his next undertaking. If you confuse defeat with failure, then you are doomed indeed to failure. For it isn't defeat that makes you fail; it is your own refusal to see in defeat the guide and incentive to success.

Defeats are nothing to be ashamed of. They are routine incidents in the life of every man who achieves. But defeat is a dead loss unless you do face it without humiliation, analyze it and learn why you failed to make your objective. If you look upon defeat in the light of a friendly tipster, it ceases to be mortifying, and the task of analyzing its causes within yourself becomes both interesting and profitable.

Not only does defeat prepare us for success, but nothing can arouse within us such a compelling desire to succeed.

GAME ATTENDANCE

A rule was announced at the beginning of the half during the St. Joseph football game last Friday to the effect that no one was to leave the grandstand at anytime during that game, or any other game. Mr. Hollenger stationed a teacher at the corner of the grandstand. He thought correctly that a number of students would disregard the rule and leave the grandstand. The teacher was to take the names of all students who were seen leaving.

We hope that in future all students will show more school spirit by obeying rules, and by attending the games.

It really is important that all students attend school activities. Only a part of one's education can be attained from books, the other part is received by associating with fellow students.—D. P.

SPORTS GOSSIP

By Willard Whitman

In the game Friday which Nyssa lost to the Fruitland Bears, the line appeared better than in the game with St. Joseph of Boise. Although the Fruitland Bears did gain yardage through the line, they did not score from this position. Their passes were their scoring plays. Nyssa was on the watch for pass plays but Fruitland was wise enough to use them only when they were in a position to score. One of their touchdowns resulted when Harold Holmes unintentionally knocked a pass into a Fruitland player's hands and enabled him to score.

The first touchdown for Nyssa was made by Stanley Ray on a 100 yard run the length of the field and through the Fruitland players. This later proved to be the spectacular play of the game.

Coach Young finds difficulty in getting the team in good working order because of the absence of players from practice. The fall work on the farms makes it impossible for some of the players to be at practice.

The line has been strengthened this week by the return of Daniel (Chief) Zamora, the heavy guard. The team, however, is still without the service of Harold Choat and Claud Patterson.

Mr. Young has been concentrating on pass defense and hopes to use it against Emmett here next Friday.

AROUND SCHOOL

Betty Osterkamp of Parma high school visited school Friday afternoon. Students are missing Luella Leuck who has gone to Eugene. Mrs. Young returned to school Monday after a weeks illness. Grade cards were distributed to students in the high school last Thursday. These grades mark the end of the first third of the first semester. The first semester will be completed just before Christmas. A junior high pep meet was held Friday afternoon before the game in the 8th grade room. The purpose of the meet was to teach the students the school yells so that they can help at the games. The meet was conducted by cheer leader, Floy Byram. M. Hollenberg described the Shakespearean building, which he visited in Washington, D. C. to Senior English class Friday morning. This was of special interest to the students as they are now reading Macbeth.

TOUCHDOWN PASS DEFEATS BULLDOGS IN GAME WITH FRUITLAND HERE FRIDAY

Nyssa Team Rallies in Closing Minutes of Contest With Strong Passing Attack

A pass completed by Fruitland in the last few minutes of play broke a 13-13 tie and gave the Fruitland Bears the game 20-13.

The opening kickoff was received by Cecil Benson of Nyssa. Early in the opening quarter Stanley Ray received a kick on his own goal line and ran it back through a broken field for a touchdown. Nyssa failed to convert. Later in the same quarter on of Nyssa's long passes was intercepted by a Fruitland man and carried over for a Fruitland score. Fruitland converted to make the score stand 7-6.

In the second quarter Harold Holmes carried a Fruitland kick back to the Bears' 15 yard line. A penalty followed and Fruitland took the ball on their own 19 and with line plunges and short passes soon took the ball down the field to Nyssa's goal line and scored again. They converted just as the first half ended.

The Bulldogs opened the second half by kicking to Fruitland. The ball was taken on their 25 yard line and soon Nyssa took the ball on downs. After two Nyssa first downs and two exchanges of kicks, the Bulldogs again started an offensive drive. A shovel pass for H. Holmes to Graham and a sharp end run by Stanley Ray resulted in a second Nyssa touchdown. The try for point was good and the score was tied, 13 all.

The fourth quarter got under way with both teams fighting on even terms. With about 10 minutes to go, Fruitland started another drive with a series of gains through the center and a long pass that was completed for the final touchdown. Nyssa, with but 2 minutes remaining went to the air and for the first time hit its stride with a passing attack. In four plays the Bulldogs carried the ball 50 yards to the Fruitland 15 as the gun sounded to end the game.

Coach Young started the following men: Garham and Schneider, ends, G. Holmes and Whitman, tackles, Keith and Zamora guards, Lewis, center, Ray and Benson, halfbacks, Gaston, quarterback, and H. Holmes, fullback. Substitutes were Osborn, Kurtz, Schweizer and Freel.

CAST RELEASED FOR MYSTERY PLAY

NAME OF "DEMON" STILL REMAINS QUESTION

The cast for the student body play, "Demon in the Dark" has been released by Miss Susan Martin, director.

The players include Gerald Warren as Duncan McTavish, Velma Fox as Janet McTavish, Zella Brown as Mrs. McTavish, Ruth Planary as Ethelind Trevor, Frank Johnson as Bob Hildreth, Clarissa Tliman as Sondra Trevor, Helen Boydell as Lizzie Scruggs, Lorraine Rider as Dido Davis, Wren Ensminger as Juniper Jenks, Gene Putrell as Deryk Vorse, and "?" as the Demon.

CLASS ADVISORS NAMED FOR YEAR

Class advisors have been appointed for this year. They are Miss Honsted and Mr. Young, freshmen; Miss Palmer and Mr. Parr, sophomore; Miss Read and Mrs. Wiese, junior, and Miss Martin and Mr. Hollenberg, senior.

Mr. Bailey takes charge of student body tickets, books and is the student body treasurer. Mrs. Young has charge of the boys' and girls' glee clubs and is advisor of the Girls' league.

GIRLS DISCUSS METHODS FOR EARNING POINTS

Members of the G. A. A. met in the gymnasium last Wednesday to discuss a way to earn points for the year. No regular athletics are being provided for girls this year.

Ruth Planary, June Marie Wilson and Louise Tense were appointed by Floy Byram, president, to arrange for a hike Saturday.

Kathleen Clowers was elected vice president to replace Eleanor Hawthorn who is going to another school. Other nominees were Donna Ashcraft, and Flora Prosser.

Miss Martin, the advisor, discussed the possibilities of holding a camp for the members at Wallowa Lake during spring vacation or after school is out. She also said that the members who had their points to join the organization but who had not yet been initiated would be soon.

HUMOR

Lester K: Is that a dray horse?
Reid Cottle: No it's a white one and quit your baby talk.

CALENDAR

Friday—Vacation, Teachers Institute.
Tuesday—Girl's glee club, 3 o'clock.
Wednesday—Boy's glee club, 3 o'clock; Schoolmasters' banquet, 6:30 o'clock.
Thursday or Friday—Emmett football game, here, 3 o'clock.

HIGHWAY PATROL LEADERS NAMED

KEISER, HALE, MATLOCK TO LEAD RESPECTIVE SHIFTS

Lester Keiser, Robert Matlock and George Hale were elected by Grant Rinehart, scoutmaster, to be lieutenants of the boy scout highway patrol which is to be started soon.

MUSIC PROGRAM GIVEN BY JUBILEE GROUP

The Eureka Jubilee singers presented a number of Negro spiritual songs to the students of Nyssa schools last Friday afternoon.

They sang such songs as, "Hear Dem Bells," "Golden Slippers," "Scandalize My Name," "The Big Bass Viol," and "Move the Ark." They also presented a skit featuring plantation workers.

The group consisted of seven persons, a quartette, soprano, alto and accompanist.

"LITTLE MAN" PICTURE SHOWN

The picture "Little Man" was shown at the high school gym last Monday afternoon. This picture which shows the trials and tribunes of boys is being shown to many high school in the state by W. E. Owens. The high school picture equipment was used in showing the picture. The admission was ten cents.

ALUMNI BRIEFS

Lucille Thrasher, Viola Pullen, and Doris Klingback were visitors at Nyssa high school last week.

Margaret Pyllingnes is at Idaho Falls working in a picture studio.

Margaret Mitchell is working at the Van Maltzberger home in Oregon Trail district.

Leslie Crocker is working at home.

Mrs. Lester Gowey, formerly Dorothy Winters, has greatly improved from her recent operation. She is expected to be back in her home at Huston in a few days.

Evelyn Haworth is attending college at Corvallis. She pledged Delta Zeta of which Vera Garrison is president.

Viola Pullen is not attending college this year. She recently attended the Pacific International Livestock Exposition.

Isabel Sarazin is in San Francisco studying art designing. She has been selected as the outstanding Freshman in this work.

Marzene Hollenberg and Edward Boydell visited parents and friends in Nyssa last week end. They are attending the normal school at La Grande.

The Adrian girl scouts gave a kitchen shower for Lucille Thrasher Thursday evening at her home. Lucille is to be married to Bruce Pinkston soon.

The boy scouts are sponsoring a Halloween party for the girl scouts October 29. It is to be an outdoor party. The place has not yet been selected.

TEACHERS ATTEND FENDELTON MEETING

The annual Teachers Institute for Eastern Oregon will be held in Pendleton today and tomorrow. Teachers from Grant, Gilliam, Umatilla, Baker, Malheur, Wallowa and Union counties will attend.

The institute is held to instruct the teachers in this section in the modern trends of education. Superintendent Hollenberg is a member of one of the panel committees and is on the nominating committee for officers for the coming year.

The main speakers for the meeting will come from the education departments of the University of Oregon, Oregon State college and the Normal school at La Grande.

DISTRICT PURCHASES FIRE EXTINGUISHERS

The local school district recently purchased several new fire extinguishers which were placed in the different rooms for the protection of students and school property.

Two of the larger ones were placed in the furnace rooms, two smaller ones in the gymnasium and one in the janitors' room. The fire squad directed by Hollis De Groff, chief, will have charge of the extinguishers.

SAFETY ON THE HIGHWAY SUBJECT OF DISCUSSION

A motion picture and talk on "Safety on the Highway" was presented to the student body last Wednesday afternoon by Don Kerick, a representative of Secretary of State Snell's office in Salem.

Mr. Kerick stressed the point of being careful, when driving, especially near schools, where there are large crowds and on the highways. He brought out the fact that if drivers had their cars checked at frequent intervals, there would be less chance of accidents. A film was used to illustrate these facts.

ATHLETICS ASSOCIATION HIKES TO APPLE VALLEY

Last Saturday seven members of the girls athletic association, Miss Martin and Miss Reed of the Nyssa faculty hiked to Apple Valley.

Due to the damp weather the former plans to take a picnic lunch to the Barret home was altered and the group hiked to Apple Valley. Upon returning they stopped for a picnic lunch at the home of Dwight Smith and following this a social hour was spent discussing various plans for the G. A. A. of Nyssa high.

Some of the activities they hope to participate in are basketball, volleyball, horse-back riding, bicycling, swimming and roller skating.

Mary had a little watch, she swallowed it, it's gone now every time that Mary walks Time marches on.

Helen Boydell: (at a football game): My, but aren't those boys getting awfully muddy?
Lucille Salee: Oh, that won't hurt anything, I understand they have a scrub team.
