THE NEW TROPHY

Sportsmanship in most instances pertains only to the teams participating in actual competition. The Snake river valley tournament officials have different understanding of the word and are giving a trophy for team, coach and roster sportsmanship combined.

A few of the students haven't shown that they know what the word sportsmanship means at some of the games. Their reflexes have sometimes been bare when an official failed to make what the students thought to be a fair decision.

We hope Nyssa will be well represented at the tournament and will do its best to help win the sportsmanship trophy.

N. H. S. DISHONESTY

Are you dishonest? Do you think one is justified in lying and stealing? Of course your answers are no. With very few exceptions we would all agree that dishonesty is a poor policy. But we are not sure of the replies to this question. "Do you believe that people who cheat in examinations are dishonest?"

Many or perhaps a majority would answer "yes" to this question but there are a few who would defend it.

We know that many, or a good majority of students, do cheat when the opportunity presents itself. Some of the cheaters are dependable and have the ability to pass the examination. What excuse can they give?

The excuse runs something like this, "I wouldn't cheat if others didn't. In order to rank with the class and keep my grades up as high as the others, I must copy a correct answer now and then. If I refrain from cheating my grades will become lower."

These pupils are making a serious mistake. If a person gets all the answers from his neighbor's paper or some other source, he will not get the full value of the course.

By maintaining self respect by being honest, one will get more satisfaction out of life. Habits formed during the school days are carried into adult life. One seeking vocational success should not form a habit of dishonesty.

N. H. S. MUSIC AT GAMES

Members of the student body wish to thank the Nyssa city band for playing at the Baker game Saturday night.

The band aided in development of school spirit in that more of the spectators were joining in on yells than in previous games. Entertainment by the band during the half-time also aided greatly.

If we are to expect more large crowds like the one Saturday night then we must do something to entertain them. Why shouldn't we the games?

N. H. S.

(Editor's Note: This is a letter frankly written by one of the student body members, concerning some of the facts of our school. It does not necessarily express the opinion of all the students.)

Dear Faculty:

While wandering around the stately halls of our dear old Alma Mater I have observed many things. I shan't attempt to tell all that has passed under my critical eye, but there are many things that could be improved upon. I cannot see, for one thing, why music is not made a regular part of the school curriculum. We cannot expect to have a good band or glee club when we only get one hour's practice a week. Why with the talent we have in this school we should have the best band and glee club in the state? We have talented members in our band, but do we have a band we can be proud of? No! Why? Because we simply do not have time enough to put this talent into practice. I hope that in the near future something will be done about this, and that we may have a band that our school can well be proud of.

Signed: A Band Member

STUDENTS PICK MEETING TIME

One Gathering Now Stated For Each Month

Student body meetings will be held regularly once a month if there is enough business for a 15 minute session. This was decided at a student assembly held Friday afternoon.

Superintendent Hollenberg announced that the buses will run to the tournament which is to be held in Emmett, February 2-3-4.

One of the main features of the tournament is to be a sportsmanship trophy award. Mr. Hollenberg explained that a plan had been devised for scoring each team, its coach and the rooting sections of each town. Sixty per cent of the points are based on the team and its coach and forty per cent on the conduct of the rooting section for the team.

The yell leaders presented some new yells which were practiced for future games.

STUDENT OFFICERS MAY HOLD MEETING

Emmett High School Plans Gathering; Course Offered

The proposed meeting of student body officers at Emmett during the Snake River basketball tournament was announced by Superintendent Van Patton of Emmett at the meeting of the school masters association in New Plymouth Monday night.

J. L. Turnbull, superintendent of Ontario schools, stated that there would be an extension course in "curriculum problems" given in Ontario starting about February 25. This course, which is open to all teachers in Malheur county, will have value equal to two hours of college credit. The registration fee will be \$5.

The importance of visual education was discussed by grade school teachers. Drawings were made for the first game in the basketball tournament by the coaches.

The next meeting will be held February 20 in Vale.

N. H. S. LETTERMEN SCHEDULE BANQUET, INITIATION

Plans for the football banquet Tuesday night were announced at the Lettermen's meeting last week.

A new initiation committee was appointed including Gene Gaston, chairman; Claude Patterson, Harold Choat, and Melton Schriener.

Merle Kurtz, president, announced that there are still some belt buckles for students and alumni who want them.
