Runte, state lithey met a truck loaded with a bull-Tractor company of Boise, which Portland. was being taken to Meridian by the driver Hort Duerock. The bulldoze blade extended over the side of the truck, was hit by the Stubbs car shearing off the top of the car and instantly killing the three victims

District Attorney Max Taggart filed charges of involuntary manslaughter against Duerock, which was heard in the Justice Court of EIGHTH INNING SPURT Percy Purvis in Vale yesterday. FAILS TO MATERIALIZE Bond was fixed at \$2000 which was posted. Hearing of the case will be

held early next week. During the coroners inquiry was brought out that the Bunting Tractor company had received permission to move the bulldozer which exceeded the width limit set by law. This permisisen it was pointed out does not allow such loads to be moved on any holiday or at night.

### Crops Prospects Listed In Report

HAY FOR YEAR BOOSTED BY CARRYOVER OF 1938 CROP

Although Oregon crop prospects have been materially improved by the timely rains late in May, condiin the country as a whole are somethe latest information contained in on the Nyssa field. the current agricultural situation and outlook report just issued by teams in a tier for third place. A the Oregon State college extension two-way tie exists between Payette that the Primitive Baptists of Nyssa

Hay supplies this year will be ur usually high despite the fact the the current crop is slightly belo last year in condition. A near reord carryover as of May 1 amounte to about 16 million tons, the large since 1921.

Milk production throughout th nation was still at record heigh on May 1 for that date as farme were milking an unusally large pr portion of their cows.

Egg production also was high o May 1-about 5 per cent greate than a year previous. A 5 per cent Holmes, c. increase in number of hens and Graham, p. young chickens in farm flocks was also noted, as was an increased sale of chicks this spring. Greatest increase in chick sales is in the Rocky

mountain and Paficic regions. Present prospects indicate fair to good fruit crops in most sections of the country, the seaport states, Apples were injured by freezes in \$34,000,000 in construction and mainnurse to hold that postion in the est team ever to be brought to this PLANNING BOARD some parts of the central and south- tenance costs on its 53,000 miles of county. ern states, but damage was not roads and highways during 1938, acserious.
