From Danner—

Ansel L. Miller of Danner was a business visitor in Nyssa over Monday and Tuesday Mr. Miller stated at the Journal office that things in the valley were a bit too dry and that the grasshoppers were causing farmers some concern. But while the Mormon crickets were doing much damage up around McDermitt they were making every effort to keep them there, principally by trenching and burning.

21ST ANNUAL CELEBRATION

RELAX THIS SUMMER

with...

1. COOL MODERN ELECTRIC COOKERY

The secret of successful summer meals is automatic electric oven cookery! Actually cook a meal while you are out of the house. That way you can have a cool kitchen, because heavy oven insulation keeps the heat in—and you have more leisure for summer pleasures.

2. CONSTANT HOT WATER ELECTRICALLY

For every member of the family... for warm, tingling showers after hot games or sticky, sweltering days at the office—have a liberal supply of hot water on tap with an automatic Electric Water Heater. It runs itself—you never have to touch it once you've installed it!

Find out about our low down payment—easy terms. It costs only a few pennies a day to operate BOTH an Electric Range and an Electric Water Heater with Step-Down electric rates.

IDAHO POWER
Electricity Does So MUCH—Costs So LITTLE!

TIME

has PROVED it!

RED BRAND FENCE

Farmers from coast to coast have had it up for many years. They KNOW there are extra years of life in its thick "Galvanneal" zinc coating and tough copper-bearing steel wire. You'll get the same good service when you buy RED BRAND fence and put it up right. Come in—we can show you why it costs less per rod per year to fence with Time Tested RED BRAND.
