National Dairy Show Exhibit to be Featured at the Pacific International Livestock Exposition, Portland, Oct. 7-14

This year for the first time in history, the National Dairy Show comes to the great Northwest where it will be the outstanding feature of livestock exhibits at the Pacific International Livestock Exposition for 8 days before proceeding to the Golden Gate Exposition.

Starting from Springfield, Massachusetts, the 1939 cow cavalcade will participate in the Dairy Cattle congress at Waterloo, Iowa, thence across the Northern states, via Northern Pacific Railway, increasing in size as the big special train travels toward Portland. Grand Champion Dairy Cows and other prize stock from Eastern States and Mid-west will compete against the best produced in the Northwest and Canada, presenting in all, the finest breeding stock and dairy cattle, on the continent.

More than \$14,000 in premiums, will be awarded to winners in six dairy breeds at the Pacific International . . . and the grand total of awards to breeders participating in the 6,000 mile "circuit of champions" and to other exhibitors showing at Waterloo, Portland and San Francisco will aggregate \$96,000, which includes appropriations from several breed societies. Competing breeds will be Ayrshires, Brown Swiss, Guernseys, Holsteins, Jerseys, and Milking Shorthorns.

The National Dairy Show Exhibit at the Pacific International added to the usual huge livestock exhibits is expected to create the greatest amount of interest ever shown in connection with this annual event. The special train will also bring Draft Horses, Show Horses, Beef Cattle, Swine and Sheep to add to exhibits from the Northwest and Canada.

4-H Competition for "Plummer Trophy" To Be Keen This Year

4-H Club teams from 6 western states will again compete in interesting demonstrations of their various projects at the Pacific International Livestock Exposition Oct. 7 to 14. The coveted trophy awarded annually to the winning team is a large American flag, made of silk.

Final award to winners will be based on the average number of points won by both boys and girls of the same team, rather than the total number of points gained. Teams competing in the 6-state contests will receive from the exposition 50 per cent of their transportation costs and other expenses up to the following amounts per state:

Montana, \$100; Utah, \$150; Nevada, \$100; Idaho, \$75; Washington, \$50, and Oregon, \$25. The allowance is determined by the distance teams must travel to the exposition. Amounts allowed are based on two teams of two members each from each state.

4-H Club demonstrations have proven intensely interesting to the public in general and of great practical value to club members," stated Mr. Plummer. "It presents an opportunity for boys and girls to display their own achievements and gain knowledge and experience from the demonstrations and work of others."

In addition to the exhibits of Livestock, Dairy and Land Products, the 1939 Exposition will feature the usual fast action Rodeo, brilliant Horse Show and, as a spectacular added attraction, the "Musical Ride" of the Royal Canadian Mounted Police, numbering 35 men and horses.

NEW 4-H CLUB ORGANIZED

Several young people of the Alberta Avenue community organized their 4-H cooking club Saturday, Sept. 30, at the home of their leader, Miss Marjorie Groot. The club was named "The Jitterbugs Cooking Club."

Members include Genevieve and Winifred Maculla, Joyce Chambers, Ruby Boersma, Joyce Taylor, Catrina Van Twisk, Leona Johnson, Bertha and Marie Sweet, Leona and Lucille Calvert. Officers elected were: Genevieve Maculla, president; Joyce Taylor, vice president; Joyce Chambers, news reporter and Lucille Calvert, secretary. The next meeting will be held at the home of Genevieve Maculla.
