Cedar Falls in west Kenton... 50

Ladies Night Club's Social

Electrician was killed in a work accident while working on a electrical system in the area.

The Associated Chambers of Commerce, meeting in their semiannual convention at Lewiston, announced that the quota increase demanded of the United States in the sugar industry was too high.

J. W. Kennedy acted as master of ceremonies, and said that the devices for the league were called an "ideal place to be." The league had a total membership of 500, including 100 in the Western Region.

The new devices were the result of several months of work by the league's technical committee, which worked intensively on the problem of increasing the efficiency of sugar beet production.

The league also announced plans for a new research facility to be built in the next year to further improve the industry.

School Bonds

The bond issue will provide for the construction of a new school building and the improvement of existing facilities.

The bond issue was supported by the local community and was approved by the school board.

Cedar Falls

In west Kenton, the weather was warm and sunny.

The temperature reached a high of 72 degrees Fahrenheit, and the sky was clear.

The weather was perfect for outdoor activities, and many people were out and about enjoying the nice weather.

The Nevada Daily product had a special emphasis on local news and events.

The newspaper covered a wide range of topics, including politics, business, and community news.

The Nevada Daily was published weekly, and it was available at local newsstands and online.

Council To Consider $25,000 Bond Issue Next Monday

The council will hold a special meeting next Monday to consider the bond issue.

The bond issue will provide funding for the construction of a new community center.

The center will include a gymnasium, a library, and a multipurpose room for community events.

The council will discuss the details of the bond issue, including the funding amount and the construction timeline.

Parking Lift Being Installed

The city will install a parking lift to increase parking capacity in the downtown area.

The parking lift will be located near the city hall and will provide additional parking spaces for visitors.

The parking lift is expected to be completed by the end of the year.

Nysa Tax Down About One Mill

The tax rate for the city of Nysa has been reduced by one mill.

The decrease in the tax rate will result in a decrease in property taxes for residents.

The city council approved the tax rate reduction during its recent meeting.

Contract Let On Lytle Road

The contract for the construction of Lytle Road has been let.

The project will improve the road infrastructure in the area.

The contractor for the project is expected to begin work soon.

MARKETS

Trader's World

The price of corn has increased by 25 cents per bushel.

The increase is due to the strong demand for corn in the feed industry.

The price of wheat has remained stable.

The price of soybeans has decreased by 15 cents per bushel.

The decrease is due to the oversupply of soybeans in the market.
