EACH DAY improves your bargain under "Step-Down" Rates. As you use more electric service, you buy it at decreasing rates. That means that each day's use of electricity added to the others, helps make a bigger bargain of the bill that comes at the end of the month. Idaho Power's electric rates are among the lowest anywhere in the nation, and rates have been reduced 21 times since 1927. Use your electric service freely. It's a bargain that grows better as you buy more of it. IDAHO POWER. Does So MUCH—Costs So LITTLE!
