9 REASONS For Retaining OREGON'S MILK LAW

1. It has resulted in better quality milk at less cost to the consumer.
2. Under it the producer receives a greater share of the consumer's dollar.
3. It costs the taxpayer nothing.
4. It is the means by which farmers and distributors settle their differences without strikes, violence, disruption of milk deliveries, or inconvenience to the public.
5. It has been proved constitutional.
6. The orders under it have proved equitable and just.
7. It is administered by men of character and business ability.
8. It assures an adequate milk supply at all times.
9. It discourages heavy surplus production.
