# WOMEN RALLY TO NATION'S DEFENSE IN RED CROSS VOLUNTEER SERVICES

## Training Courses Fit Them for Duties Vital In Present Emergency

WITH the call to the colors of more than a million of the nation's young men, American women everywhere ask how they can volunteer their services to aid in the emergency. What part can women and girls play in national defense? The American Red Cross, through its 3,700 Chapters and their branches, provides the answer. More than a half million women already have enrolled to give their time in Red Cross volunteer services, according to Mrs. Dwight F. Davis of Washington, D. C., Chairman of Red Cross Volunteer Special Services. Through sewing and knitting a million garments for Europe's war victims, and making millions of surgical dressings for war wounded and sick, they have gained efficiency and experience which can be readily diverted to the work for home defenses should the need arise, Mrs. Davis said.

In order to prepare most efficiently for any emergency which may come, the Red Cross is extending its training courses through its Chapters. Women motorists are trained for the Red Cross Motor Corps; girls who wish to volunteer for office work, train for the Staff Assistance Corps; other thousands join the Canteen Corps; women and girls who wish to learn to protect the health of their families,

All are volunteers who give time to this work of mercy every day.

take Home Hygiene and Care of the Sick Courses; those who wish to learn how to aid the victim of an accident, enroll in the First Aid classes.

The Gray Lady Corps is composed of volunteers who require more specialized training and this is available only in those chapters near military hospitals. The Gray Ladies are the visitors in military and civilian hospitals giving those aids and comforts to sustain the

morale of the sick. Nurse's Aides are trained to assist doctors and expert registered nurses in clinics and hospitals and this training is limited at present to regions where there are many hospitals.

The Red Cross "preparedness for humanity" program is supported by the memberships of the American public and every patriotic man and woman is urged to join his local Red Cross Chapter during the Roll Call, November 11 to 30.
