WAR ON WEEDS WITH MACKS ANTI WEED GUN

And Carbon Bisulphide

Mr. Land Owner:

The sooner you start killing those Morning Glories, White Top, Canada Thistle, and all other perennial noxious weeds, the less your expense will be, by starting early you will be in position to check your infested spots several times during the season, which will enable you to catch those plants you may have missed.

Most County Commissioners are making it possible for land owners to buy their chemicals at about one half their cost.

Mail your check today for A MACKS ANTI WEED GUN, the best Carbon Bisulphide injector known, it measures the dosage, makes the hole into the ground, and pours the chemical into the ground under high pressure, all done in one easy stroke.

Any school boy can operate A MACKS ANTI WEED GUN.
