Biddy Goes to Work Early

America will need millions of eggs this winter, as part of the "defense food" production. Kathryn Hines, pretty 4-H club girl, shows biddy that soldier hours will be expected. Many poultry producers follow this practice of turning on electric lights in laying houses early in the morning during winter months. The practice compensates for the fewer hours of daylight and gives hens a full day of eating and laying.

DEFENSE BOND QUIZ:

Q. Just what is inflation and how can it be minimized?

A. Inflation is a decrease in the buying power of the dollar caused by a rising cost of living. This, in turn, is brought about by a heavy public demand, resulting from a rapid increase in the national income, for things which cannot be produced in large enough quantities. Every citizen can help minimize inflation by buying Defense Bonds and stamps.

Q. How can I get cash for my Defense Savings stamps if I should need to redeem them?

A. Go to any post office. NOTE: To buy Defense Bonds and Stamps, go to the nearest post office, bank or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also stamps now are on sale at most retail stores.
