EASTER COMES INTO WORLD THAT IS IN TERRIBLE CONDITION

As Father Time nears Easter in 1942 the heart of the world is convulsed by hatred and greed and the devastations of war.

That condition exists in contrast to the possibilities of peace, happiness and contentment.

Some persons say that war will never be eliminated until human nature changes. That may be true, but it is a shame that the world should suffer such terrors as modern warfare when we have available an individual and international code of human relations that if placed in effect would give the world the contentment and peace of mind that it has been seeking since the dawn of time.

That code was given to us by Jesus Christ before he died upon the cross. No person in his right mind would deny that the principles enunciated by Jesus while he was on earth would prevent the outbreak of war.

Apparently the world is not ready for His program, because each generation seems to have to learn from its own bitter experience the folly of war.

Because human beings are selfish we will not even make a start toward the practice of brotherly love until nations sincerely attempt to eliminate trade barriers, monopolies and other restrictions that prevent even a semblance of an equal distribution of wealth among nations.

Dictators and others of their calibre will probably continue to ring tears from mothers' eyes and blood from the sons of men until every strata of life learns to "love one another".

NYSSA MERCHANTS WILL TURN BACK Their Clocks One Hour SUNDAY AT MIDNIGHT April 5, 1942

BECAUSE OF THE INCONVENIENCE CAUSED TO FARMERS IN THE NYSSA AREA AND THE CONFUSION CAUSED BY THE CONFLICT OF TIME WITH OTHER MALHEUR COUNTY CITIES, THE MERCHANTS OF NYSSA HAVE DECIDED TO FOLLOW PACIFIC WAR TIME UNTIL THE PRESENT EMERGENCY IS CONCLUDED AND CONDITIONS RETURN TO NORMAL.

THE BUSINESS MEN OF NYSSA DECIDED TO MAKE THE CHANGE AFTER TRYING MOUNTAIN WAR TIME FOR SEVERAL WEEKS IN COMPLIANCE WITH THE GOVERNMENT'S REQUEST FOR THE SAVING OF DAYLIGHT.

THE SWITCH FROM MOUNTAIN WAR TIME TO PACIFIC WAR TIME WILL PLACE NYSSA ON THE SAME LEVEL AS FARMERS LIVING WEST OF NYSSA AND RESIDENTS OF OTHER SECTIONS OF THE COUNTY AND WILL BE OF GREAT BENEFIT TO SCHOOL OFFICIALS AND LOCAL CHILDREN.

BECAUSE THE CHILDREN LIVING ON FARMS WEST OF NYSSA ARE FOLLOWING WAR TIME, CHILDREN OF NYSSA HAVE BEEN ATTENDING SCHOOL FROM 10 a. m. TO 1 p. m. AND FROM 2 p. m. TO 5 p. m., CAUSING CONFUSION IN LOCAL FAMILY ACTIVITIES.
