

NEWELL HEIGHTS

The regular March P.T.A. meeting was held at the Kingman Kolony school house with several Newell Heights ladies in attendance. All officers were reelected for the coming year.

Farmers are rushing their field work because of the wind. Not much night work is being done now but for a time tractors were operated 24 hours a day. Much of the sugar beet acreage has been planted or will be soon.

Mrs. Jess Sugg and Mr. and Mrs. M. L. Kurtz attended the special business meeting of the church in Adrian Monday evening. Rev. McKune, Mr. Ed. Wilde and B. Hamilton of Nampa, were also present.

The parents, relatives and friends of the members of the Adrian Union high school band were in attendance at their annual spring concert Friday night. Idamary Prouty spent the weekend at her home in La Grande.

Ellen Judd and Harold and Dud Kurtz rehearsed at the district

high school band practice in Nampa Saturday. The next practice will be held in three weeks.

The Charlie Harris family has located at Redding, California, where Mr. Harris has steady employment as a welder.

Bill Kurtz received his call Friday to Seattle to take another physical examination prior to joining the flying cadets of the army. He left early Saturday morning.

The Adrian community church will observe Easter with a short Easter program to be given by the children and adults. W. Anderson of the College of Idaho, will deliver the Easter message. Visitors are especially invited to attend.

VALLEYVIEW

A large group of relatives and friends gave a dinner Sunday in the Methodist church basement honoring Dean Wyckoff, who intends to engage in defense work in Nevada in the near future.

Mr. and Mrs. Harvey Reynolds of Willow Creek visited Mr. and Mrs. George Stewart Saturday. T. W. Penn is ill with influenza.

Monday evening a group of people, Mr. and Mrs. Charles McCosh's neighbors, surprised them with a party. Mr. and Mrs. McCosh will move to Ontario soon.

JAPS' RIGHTS TO BUY LAND UPHELD

ONTARIO, April 2 (Special)—Japanese who are American citizens cannot be prevented from purchasing or leasing land either by the state or federal government. Governor Charles A. Sprague declared Monday in a telegram to State Senator J. N. Jones.

Sprague's wife was in response to the protest against such action from a mass meeting held at Vale. In a message to the governor, the Vale group protested against the location in this area of any Japanese, either citizens or aliens, unless they were held under government supervision and prevented from acquiring land by lease or purchase.

Governor Sprague said federal evacuation authorities are now in the northwest studying proposed locations for aliens who are removed from coastal areas.

Reports have been circulating the past few days regarding purchase of Malheur county lands by Japs coming in from the coast.

LIONS CLUB WILL RAISE BEET CROP

The Lions club, meeting Monday noon in Brownie's cafe, approved a lease with the Amalgamated Sugar company on five acres of land, on which the Lions expect to raise a crop of beets.

The Lions voted to meet next Monday evening at 6:30 instead of at noon as usual.

Henry Hartley led a discussion on the economies of the northwest. He expressed the belief that industries will continue to grow in the northwest and that the growth has been accelerated by the war.

Mr. Hartley pointed out that "The United States is the most hated nation in the world, not because of what we have done, but because of what we have".

STATE CAPITAL NEWS

A. L. LINDBECK

SALEM, Ore.—Two more initiative measures were started on their way toward a place on the November ballot this week with the filing of preliminary petitions with Secretary of State Snell.

One of these measures, sponsored by the Oregon State Teachers' association, would divert all income tax revenue in excess of \$7,750,000 a year to support of the public school system. Under the plan proposed by the teachers this excess revenue would be apportioned among the local school districts on the basis of school attendance and would be used to off-set property taxes for support of the school.

The other proposed initiative measure involves four major changes in the present set-up for administration of public welfare funds. Whereas under the present law the state welfare commission consists of seven members appointed by the governor the proposed amendment would require that these seven members be selected from members of the various county courts. The measure would also abolish the post of relief administrator and do away with the four citizen-members of county welfare commissions. It would also eliminate from the law the requirement that relatives of needy aged persons—be required for their care when financially able to do so.

A WOMEN'S Bowling Tournament

Featuring four teams will be started this week.

MISS ZAMORA IS TO GET BENEFIT OF SCHOLARSHIP

OREGON STATE COLLEGE, Corvallis, April 2—Susan Zamora of Nyssa has been named as Malheur county's recipient of the \$100 Carl Raymond Gray college scholarship granted each year by the Union Pacific system to the most outstanding 4-H club members in counties served by that railroad. The money is payable throughout the first year when the winner is enrolled at Oregon State college.

Susan, a senior in Adrian union high school this year, plans to use her scholarship in 1942-43. She has been in club work eight years and has carried nine different kinds of projects. These include clothing, canning, homemaking, swine, poultry, rose and flower garden, health, vegetable, and cookery.

Walter Duncan of Willow Creek has been named alternate. He is a junior in high school and has been in club work five years.

In approving the selection of these students as recommended by the state club office of the Oregon State college extension service, Joe Jarvis, supervisor of agricultural development for the U. P., commented that the students have done fine work and have demonstrated their ability to carry a variety of projects.

Public servants in Oregon who enter the armed services either through voluntary enlistment or through the draft are automatically granted leaves of absence under the state law, according to Attorney General Van Winkle. The leaves, however, only cover the period for which officials are elected or appointed.

Savings of nearly \$5,000,000 a year are now being enjoyed by consumers of electricity in Oregon as a result of rate reductions put into effect in the past seven years. It is revealed in a report made to Governor Sprague this week by Utilities Commissioner Bean. Rate reductions put into effect in the past three years, Bean pointed out, account for savings to consumers of more than \$3,500,000 a year.

Funds are still available under the special allotment to the Vale-Owyhee and Black Canyon area, Fletcher stated. "It is expected that new applications may be processed to June 1 from these funds."

Persons interested in making farm and home improvements, land improvements and real estate refinancing should attend a group meeting for applicants, which is held each Wednesday afternoon at 1:15 at the county office in the M'ees building, Ontario.

During February and March loans totaling \$150,000 were submitted. Construction is now in progress on 14 dwellings on the Vale-Owyhee area. Two of these will be completed for occupancy within 10 days. The first completed new dwelling was occupied in March. There are seven others for which construction will begin soon.

Additional information may be obtained from the county office. Office hours are maintained from 8 a. m. to 5 p. m. Monday through Friday and Saturdays. Supervisors maintain office days Wednesday and Saturday from 8 a. m. to 12 noon.
