BETWEEN FRIENDS
 By Ed. Pruyn
 Howdy Folks: An operation recently cured a Chicago boy of a strange malady that caused him to see every thing upside down. If he had been in Germany, he could have landed a good job in Doc. Goebbel's propaganda department.
 German Motto
 Come early and avoid the Russians. We heard some one suggest that our airmen should hover over certain European capital and spray insect powders on some of the castles.
 We'd like to suggest to you that now is the best possible time to have a motor tune-up.
