"ALL EYES ARE UPON YOU"

Many times the unthinkable actions, words or deeds of some of the members of the church, cause others to think that the entire church and its teachings are at fault. Remember that when some one finds out you are a "Mormon" ALL EYES ARE UPON YOU. It is a good idea for each member to watch himself—be mindful of what you do and say. Choose good clean entertainment. One great author said "The devil accomplishes most of his work between the hours of midnight and three a. m. Statisticians have proven that during these hours most of the crimes and evil things take place. Get plenty of sleep, to keep that youthful sparkle in your eye, that step full of pep. Go forth carry-

ing the responsibility of being a member of the L. D. S. church, with head lifted high. It is something to be proud of. Act so it will be proud of YOU. Have courage to listen to that "still small voice" when it prompts you to do what's right, and you shall go on through your years with a clean, happy heart, making others happy through himself, is mightier than because of knowing you. Be master of yourself. "He that conquereth a nation."

Pay Your Bills And Help Win The War MALHEUR COUNTY CREDIT BOARD

Part of a permanent, statewide organization of business and professional men to improve credit conditions, operating in every county of Oregon and in more than 20 other states.

Monthly Delinquent List Issued

Delinquent debtors trailed from county to county, and from state to state. Members exchange information, through the medium of our state office, reporting those who do not properly respect their credit.

We do not guess at credit information, but in our report to members we list debtors names, addresses, and the amount of their indebtedness.

All Debtors Notified

Before listing the name of any debtor, we give him due notice and ample time in which to take care of his past-due accounts. It is not our purpose to embarrass any man, rich or poor, who does his best to meet his obligations. Names of debtors are not removed for any reason until their account are paid.

The man who pays is welcome everywhere. But the man who does not soon becomes a social outcast.

Unpaid Claims Offered for Sale

Where payment is persistently refused, unpaid claims are offered for sale to the highest bidder, and are sold for whatever they will bring, for the benefit of creditors.

No Commission On Collection

We are not operating a collection agency—debtors must pay direct to their creditors. No filing fees. No docket fees. When collections are made you get the money. No contracts to sign and regret.
