LORD AND LADY HALIFAX IMPRESSED BY NORTHWEST

The visit of Lord Halifax, British ambassador to the United States, and his party to the northwest strengthens the ties between Britain and this territory at a time when cooperation is needed in the war effort.

Lord and Lady Halifax was impressed by their visit to Idaho and the residents of the state were impressed by them. The distinguished visitors' "down to earth" attitude and graciousness and the ambassador's interest in agriculture were particularly appealing to the residents of this agricultural section.

The attitude of the ambassador, in which he recognizes the problems of the United States and Britain, augurs well for the post-war period, when a great deal of rehabilitation especially in Europe, will be necessary. Reports indicate that in the present war there is less bickering between the allies over advantages and authority than there was in the last war. Perhaps, the people of the allied nations are no more thoughtful or magnanimous than before, but at least they are taking a more common-sense and realistic view of the cooperative war effort.

Halifax seems to symbolize that cooperative attitude and is doing much to strengthen it through his contact with the common people of the northwest.

The Greman press enumerated a few of the things Italy stands to lose when it is invaded by the Allies. One of the biggest omissions was their failure to note that Italy will very likely lose Mussolini. But then again, that would be a gain and not a loss.

Record—Courier

Mussolini, we are told, is getting happier every day. "Why? we ask. "Because wasn't he the one who boasted that he liked to live dangerously?"

HIGH COUNCIL NIGHT

Daniel K. Brown and Irving T. Tuffin of Vale, high council members, were the main speakers at the evening meeting held Sunday in the L.D.S. chapel. Preliminary music was played by Wanda Callahan on the organ. Clarence Zink offered the opening prayer. O. R. Anderson conducted the services. After congregational singing, led by Neid Schenk, Leslie Lewis and Mr. Anderson administered the sacrament, which was passed to all members present. Record of one baby named and blessed was read by Ward Clerk Dean Pife.

It was announced that a special meeting would be held at Weiser August 4 beginning at 8 P. M. at which President Rueben J. Clark, one of the presidency of the church

from Salt Lake City, would be present, to transact important business. The church was favored with a vocal solo, "The Lord Is My Shepherd" by June Marie Wilson, accompanied at the piano by Wanda Callahan.

Mr. Tuffin gave a talk, "What Is Joy?" He named the fundamental steps one should take to gain joy. June Marie Wilson then favored with another solo, "The British Children's Prayer."

Mr. Brown talked on "Forgiveness." He said, "If we expect to hold liberty in this land, we must extend love and forgiveness, and not hatred."

The meeting came to a close with the congregation singing "The Spirit of God Like a Fire Is Burning." Home Mission President Mark Child offered the closing prayer. The ward teachers held a short meeting afterward.

To do one thing well

The chief objective of everyone should be to do one thing well. Your doctor accomplished this objective when he spent years of his life in preparing himself to care for you when you need medical attention. How foolish, then, to depend on others. When illness comes to you or any member of your family consult your physician without delay. Be sure that he is a licensed M.D. from an accredited school of medicine. Then bring your prescriptions to us for expert compounding.
