Barnum, and to the unknown heirs of either of the above named defendants, if deceased; and all other persons unknown, having or claiming to have any right, title or interest in or to the lands described in this Amended Complaint.**  
Defendants:

**IN THE NAME OF THE STATE OF OREGON:** You, and each of you, are hereby required to appear and answer the amended complaint filed against you in the above entitled suit on or before the Fourth day of November, 1943; said date being the last day of four weeks from the date of the first publication of this summons; and if you fail to appear and answer said amended complaint for want thereof the plaintiffs will apply to the Court for the relief prayed in their amended complaint.

This suit is brought for the purpose of securing a decree adjudging that the title to said property be quieted in the plaintiff; that the defendants be required to set forth the nature of their respective rights in said property; that the court adjudge and decree that all right, title, estate, lien or interest which any of the defendants may have in said property is inferior in right to plaintiff's estate therein; and that each of the defendants, and all persons claiming under them, or any of them, be perpetually enjoined and debarred from asserting any such right, title, estate, lien or interest in said property, or any part thereof; and plaintiff prays for costs and further equitable relief.

This summons is served upon you by virtue of an order of Hon. Chas. S. Leavitt, Judge of the County Court of Malheur County, Oregon, made and entered on the 11th day of October, 1943, directing that publication thereof in the Gate City Journal once a week for four successive weeks.

## HELP FARMERS COLLECT RATION POINTS

To assist farmers in sending OPA the ration points they collect from the sale of rationed foods, Local Rationing Boards are mailing farmers the necessary reporting form, addressed envelope, and complete instructions. Farmers who either sell or transfer rationed foods, such as fresh smoked meat, all types of sausage, lard, butter, and cheese, are required to collect ration points from purchasers. The full cooperation of farmers is essential for the success of the food rationing program, OPA said.

## WARNS AGAINST HARMFUL ANTIFREEZE

Operators of all kinds of motor vehicles have been warned by ODT against the use of harmful salt or oil preparations as radiator antifreeze. Salt antifreeze solutions may cause corrosion or shorting of electrical circuits.

## DAIRY PAYMENT RATES

Rates of payment which will be made to farmers delivering whole milk and butterfat to offset increases in dairy feed cost since September, 1942 have been announced by WPA. The rates range from 30 to 50 cents a hundredweight on whole milk deliveries and 4 to 6 cents a pound on butterfat. They are applicable for October, November and December, 1943.

## DRAFT DELINQUENTS TO BE INDUCTED

Beginning November 1, all men 18 to 38 years of age who are subject to selective service but who are delinquent will be put into class 1-A immediately and ordered to report for induction, the Selective Service Bureau of the War Manpower Commission has stated.

## RESTRICT DELIVERIES

Restrictions on all wholesale and retail deliveries ordered by the Office of Defense Transportation have gone into effect throughout the Nation. The restrictions include: (1) No retail delivery of packages weighing five pounds or less or measuring 60 inches or less in length and girth combined; (2) Limitations upon the frequency of retail and wholesale deliveries of certain commodities; (3) No Sunday retail deliveries except of ice, milk, or cream. Common carriers may not be used to make retail or wholesale deliveries to circumvent the order **CIVILIAN RICE SUPPLY NORMAL**

Rice will be available this year to consumers in average quantities of the past several years, but may not be adequate to meet the large demand resulting from increased buying power. The War Food Administration said recently. Under controlled distribution, however, States whose population normally eat the most rice will get the most proportionately.

## ALFALFA HAY PRODUCTS REGULATION

Prices of all alfalfa hay products are now set by revised maximum price regulation No. 456. Under the revised regulation, these products will cost somewhat more in Texas, Arkansas, Oklahoma, Tennessee, Mississippi, Utah, and portions of Idaho and Oregon.

## HIGHER CEILING ON CORN PRODUCTS

Ceiling prices on wet corn milling by-products sold as animal and poultry feeds—but chiefly as protein supplements for dairy cattle—were set recently by OPA at levels around \$7 a ton above those set by the price "Freeze" as of March, 1942.

## ANNOUNCE VEGETABLE PRICE CEILINGS

Ceiling prices that will prevail for 13 vegetables at country shipping points have been announced by OPA and WPA. The vegetables are lima beans, snap beans, carrots, cabbage, cauliflower, celery, cucumbers, eggplant, lettuce, green peas, peppers, spinach, and tomatoes. Maximum prices for beets, asparagus, watermelons, cantaloupes, and the 1944 crop of onions are to be announced soon. Prices were announced to assist vegetable growers in completing their production plans.

## MAY UP FROZEN FISH PRICES

Winter prices on many species of frozen fish have been set at the processor level by OPA. This action may mean an increase of about 10 to 15 percent in retail frozen fish prices, but it is expected to result in greater supplies of this product. **HERRING CATCH INCREASES 130 PERCENT**  
Preliminary figures show an in-

crease of 130 percent in this year's catch of Alaska Herring over the catch of 1942—one of the most impressive increases registered this year by any major American Fishery—The Coordinator of Fisheries said recently. Most of the Alaska meal and oil. The meal goes into Herring catch is reduced into fish poultry and other animal feeds, of which it is an important part.

## ARMY CUTS BUTTER ALLOWANCE

The peace time daily butter allowance of two ounces per soldier has been reduced to approximately 1.12 ounces per man, the War Department has reported. This includes butter used as a spread and in cooking.

## POINTS NEEDED TO BUY TONGUE

Ration points are required to buy all varieties of tongue, and no types of this meat may be sold point-free, the OPA said recently. Some consumers apparently believe tongue can be purchased without points, because beef "Long-Cut" tongue was removed from the current table of consumer point values for rationed meats. "Long-cut beef tongue, OPA explained, is an untrimmed type which is not sold at retail. **95 PERCENT OF SOLDIERS INSURED**

The National Service Life Insurance Program in the Army has grown to a 65 billion dollar enterprise, providing insurance protection to more than 95 percent of all members of the Army, according to the War Department. The program was established three years ago. **SET RECORD DELIVERING "FOURTS"**

Crews of the ferrying division, Air Transport Command, Army Air Forces, have set a new record by delivering eight flying fortresses to England and returning to their home station in the United States, all within 4 1/2 days, according to the War Department. The crews took off from four different stations in this country, some of them well inland, which added to the over-all flying distance.

## OTHER AMERICANS SEND RUBBER

Tropical forests of the other Americas have yielded a rising inflow of natural rubber this year to mix with the synthetic product from new chemical factories opening in the U.S. In the first four months of 1943, rubber-producing regions of the other Americas shipped 80 percent more rubber than in the comparable period of 1942, according to Everett C. Holt, Chief of the Commercial Section of the rubber development corporation.

## LEAVES FOR HARVEST WORK

Commanding officers of Army Service Forces establishments have been authorized to grant vacation leave to civilian employees to assist in the Fall harvest, according to the War Department. The action was taken at the request of the Director of Labor of the War Food Administration.

## "MEMPHIS BELLE" GETS REPAIRS

The "Memphis Belle", battle-scarred veteran of nine months aerial warfare over France and

Germany, now is "convalescing" at an airfield in Spokane, Wash., according to the War Department. During 25 combat missions she was battered by flak and slashed by machine gun bullets. She has had nine new engines, a new right wing to replace one shot away in action, and a new tail assembly for one torn to shreds by cannon fire. This flying fortress was returned to the U.S. last June to show American people how American planes could stand up in modern warfare. Following her tour the flying fortress was assigned to a heavy bombardment group in Nebraska to help train fledgling airmen who hope soon to go overseas themselves. After a major overhaul job, the "Memphis Belle" again will be used in training airmen.
