

Farm WAR NEWS

SPUD LOANS READY

Potato loans are now available through the county AAA office to all growers who have storage facilities. Loans are offered at the rate of \$1.65 (\$1.45 in Malheur, Union, Baker and Wallowa) on the content of U. S. No. 1's in the lot, or at 99 cent (87 cents in Malheur, Union, Baker and Wallowa) a hundred for all potatoes grading No. 2 or better.

BUTTER FOR CIVILIANS

Army purchase of butter has been stopped from October 1, 1943, to March, 1944. This is in line with the Army's attempt to plan its procurement programs so that it will be buying food during flush market seasons. Thus, almost the entire production of creamery butter will be made available to civilians during these 5 months. Military and other needs will be met from stocks accumulated under the butter set-aside order.

ANTI-FREEZE WARNING

The county farm transportation committee calls to the attention of all farm truck owners a warning against harmful anti-freeze compounds issued by the office of defense transportation. The ODT said that a number of destructive types of anti-freeze are still on the market, although the war pro-

duction board ordered their manufacture stopped some time ago. The harmful solutions are those including evacium or magnesium or compounded with petroleum distillates or with inorganic salts, in-sodium chloride, all of which have been found highly destructive to radiators, ignition systems and rubber connections. The ODT urges truck operators to use safe anti-freeze of the ethylene-glycol or alcohol type.

'44 GOALS MEET NEEDS

State production goals for 1944, established by local people at state conferences throughout the country during October, are now being added up by the war food administration. Preliminary tabulations indicate that the aggregate state goals will meet the 1944 national feed requirements, the state war board has been informed.

FARM LAND PRICES

The current outlook for a continuation of the general increase of farm land prices during the coming year, according to information received by USDA war boards. The average rate of increase probably will be at least equal to that of the last year, which was about 1 percent a month. By July 1 of this year, the U. S. average farm land prices has advanced 23 percent, or almost one-fourth, from the 1939-39 base. The largest increases occurred in the corn belt states. The average rate of increase during the year was the highest on record, outside the 1919-20 boom year.

FEED MANAGEMENT NEEDED

That careful feed management is absolutely necessary to meeting the 1944 meat and livestock products goals is shown by a summary of the feed situation received by the state USDA war board. Compared with 1942-43 high levels, prospective grain supplies will

We Have Taken Home Front Pledge

Have YOU?

MAKE THIS PLEDGE
I will pay no more than top legal prices.
I will accept no rationed goods without giving up ration stamps.

MY PLEDGE TO YOU:

I charge no more than Top Legal Prices
I sell no Rationed Goods without collecting Ration Stamps

be down 5 percent, hay supplies down 6 percent and feed concentrates down 12 percent. Feed consumption per unit of livestock and poultry products in 1943 was 8 percent higher than for several previous years.

TIGHT, BUT NOT DESPERATE

War Food Administrator Marvin Jones sees the 1944 feed situation as tight, but not desperate. By using all 1944 feed supplies, including roughage and pasture, as efficiently as we did prior to 1943, we should have enough feed to maintain or slightly increase milk production, maintain egg production at the 1943 level, feed 15 to 20 percent more cattle to weights slightly below average and to good grades rather than choice and prime grades, feed out 1943 spring and fall pig crops to average weights and start a 1944 spring pig crop equal to 1942's, raise as many broilers as in 1942 and about as many turkeys as in 1943 and feed out the same number of sheep and lambs as in 1943.

Arcadia

Sunday school was held at 2 p. m. Sunday. Rev. Honeyford of Ontario gave a message at 3 p. m. Arnold Garren has returned from a month's visit in Oklilhamo with relatives.

Truman Wagner, who is employed on the railroad on the coast, and Leland Wagner, who is a warrant officer in the army, visited their parents, Mr. and Mrs. J. M. Wagner, last week. Leland is stationed at New Orleans, but will leave soon for overseas.

Frank Sparks returned with a deer and an elk. Mr. and Mrs. Ellis Warner returned with two deer.

Mr. and Mrs. Hadley Garren and family have moved to the Kias Tensen place, where Mr. Garren is feeding cattle for Fred Levi.

The Arcadia Sunshine club will meet November 4 at the school auditorium to sew for the Red Cross.

Sunday school will be held at 10:30 p. m. next Sunday.

Mr. and Mrs. Berthelsen, teachers here, registered all the community for ration book 4, Wednesday and Thursday.

Mr. and Mrs. Charles Rogers are moving from the Nick Smit place to the ranch of their son-in-law Vernon Reed, near Payette, this month.

Walter Hahn visited friends here last week. He came a month ago from North Africa where he spent seven months in the army. He was given an honorable discharge and went to Portland to work in defense work.

Mrs. Ted Fraham and A. A. Bratton were the solicitors for war relief funds here.

Mr. and Mrs. Jack Smith and Mr. and Mrs. Boyce of Portland and Mr. and Mrs. Joe Henderick of Burns were dinner guests at the John Zittercob home Sunday.

Owyhee

The Owyhee district has collected \$337 for the Malheur county war chest fund.

The Owyhee Parent Teacher will meet at the school house Thursday evening Nov. 11.

Fred Hite has moved home for the winter from the hills, where he was employed during the summer.

Mr and Mrs Gerald Slippy were overnight guests of the Ray Franklin family Friday.

Lorraine Hite is recuperating from

Mrs M. L. Judd attended the P.T.A. county council meeting in Ontario Saturday.

Merlin Anderson came home Saturday after two weeks spent in a hospital following an appendix operation.

The Pioneer group of the Community church enjoyed a Halloween party at the Joyce Kurtz home Saturday night. Arlene Piercy was a week-end guest of Joyces and helped to plan the party. Fifteen young folks and their leader, Mrs Elliott were present.

Mrs Carrie McLaughlin, who had a vacation from her work in the hospital at the Nampa colony, spent most of last week at the M. L. Kurtz home, returning to Ten Davis Thursday evening.

Alvin McGinnis has taken the contract for building of the residence on the Garrison 80 acres, formed by Charlie Newbill.

Mr. Garrison resold the west eight.

Lou and Gene Pratt have sold the river Pratt ranch to an eastern buyer.

NOTICE WILL BE GIVEN ON STAMP

The chairman of the local war price and ration board has been ago.

advised by the district OPA office that should it ever become necessary to terminate shoe ration stamp 18, the public will be given 30 days notice. This assurance is a flat denial of the rumors that the OPA plans to invalidate this coupon without warning.

At present the OPA has no plan to terminate this coupon but there are in the country many counterfeited shoe stamps, the local board said, and if this counterfeiting gets out of hand it may become necessary to cancel all number 18 coupons. Even in such a case the public would be given 30 days notice. The public and shoe-dealers can destroy counterfeiting by refusing either to buy or to sell over-the-counter with loose stamps.

The purpose of rationing is to spread the limited supply. If people will spend their stamps for shoes when and if they need them, they can be confident that there will be enough shoes on their dealers' shelves to meet all their needs, OPA said.

Accepts Position—

Clarissa Tillman has accepted a position at Mountain Home. She started telegraph work at the Nyssa depot and finished a course at Gooding, Idaho two weeks ago.

Notice

of Election of one Director of
Owyhee Irrigation District
for three-year term beginning Jan. 1, 1944.

Nominees **J. J. Sarazin**
