NOTICE OF SPECIAL ELECTION NOTICE HEREBY IS GIVEN

That a special election has been called and will be held in the City of Nyssa, in Malheur County, State of Oregon, on the 26th day of February, 1944, pursuant to an order of the County Court of Malheur County, State of Oregon, dated the 17th day of January, 1944, and Resolution of the Common Council of the City of Nyssa adopted the 24th day of January, 1944, at which election there will be submitted to the legal electors of the City of Nyssa the proposition of whether the City of Nyssa shall be included within the boundaries of, and the real property therein be subject to the assessments of, the proposed "NYSSA ROAD ASSESSMENT DISTRICT" if formed, and also the matter of election of three (3) directors for such "NYSSA ROAD ASSESSMENT DISTRICT".

The name of the proposed district is "Nyssa Road Assessment District", and the boundaries of the proposed district are as follows: Beginning at a point where the half section line running East and West through Section 33, Township 18 S, Range 47 E.W.M., intersects the West bank of the Snake River, thence running due West on the half section line through Sections 33, 32 and 31, Township 18 S, Range 47 E.W.M. and on half section line through Section 36, Township 18 S, Range 46 to the western boundary line of Section 36, Township 18 S, Range 46; thence southerly along the western boundary line of Section 36, Township 18 S, Range 46 to the north boundary line of Section 2, Township 19 S, Range 46 E.W.M.; thence westerly on said north line of section 2, township 19 S, Range 46 E.W.M. to the west line of said section 2; thence southerly on the west line of said section 2 to the half section line of section 3, Township 19 S, Range 46; thence westerly along the half section line to the western boundary of said section 3, Township 19 S, Range 46; thence southerly along the western boundary of said section 3, Township 19 S, Range 46 to the north boundary line of said section 3 and section 10 to the northeast corner of section 16, Township 19 S, Range 46; thence westerly along the section lines of the northeast corner of section 18, Township 19 S, Range 45; thence southerly along the section line to the township line between Townships 19 and 20; thence westerly along said township line to the northwest corner of section 6, Township 20 S, Range 45; thence southerly along the range line between ranges 44 and 45 to the southwest corner of section 19, Township 21 S, Range 45; thence easterly along the section line to the northeast corner of section 27, Township 21 S, Range 45; thence southerly along the section line to the southeast corner of section 34, Township 21 S, Range 45; thence easterly along the Township line to the Snake River; thence north-easterly along the west bank of the Snake River to the point of beginning.

The electors at such election will be required to cast ballots upon which will appear the words "Road Assessment District—Yes" and the words "Road Assessment District—No", or words equivalent thereto, as well as the names of all duly nominated candidates for election as directors of such district, and each such elector will indicate his vote by placing a cross (X) between the word "District" and the word "Yes", or between the word "District" and the word "No", and also shall vote for any three directors either named upon the ballot or written in by the elector.

The said election shall be held in the Council Room of the City Hall of the City of Nyssa on the 26th day of February, 1944 and the polls shall be opened at 9:00 o'clock A. M. and remain open until 6:00 o'clock P. M. of said day when they must be closed.

By order of the Common Council Grant A. Rhinehart Recorder, City of Nyssa Dated and first publ. Jan. 27, 1944 Last published Feb. 24, 1944.

SUMMONS FOR PUBLICATION In the Circuit Court of the State of Oregon for the County of Malheur.

VIVIAN SMITH WRIGHT, Plaintiff vs. CLYDE FRANCIS SHUTE, otherwise known as William Francis Wright, Defendant.

To CLYDE FRANCIS SHUTE, otherwise known as William Francis Wright: Defendant.

IN THE NAME OF THE STATE OF OREGON, you are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the second day of March, 1944, said date being the last day of four weeks from the first day of publication of this summons; and if you fail to appear and answer said complaint, for want thereof, the plaintiff will apply to the Court for the relief prayed for in her complaint on file herein, to-wit: that the bonds of matrimony now existing between herself and

the defendant be dissolved and for an absolute divorce; that she be decreed the custody of the two minor daughters, Sharon K. age 4 years and Dona Mae age 2 years and that the name of plaintiff be changed to Vivian Smith.

This summons is published by order of the Hon. Robt. D. Lytle Judge of the Circuit Court of the State of Oregon, for the County of Malheur, dated January 25, 1944, prescribing that this summons be served by publication thereof, once each week for four consecutive weeks in the Nyssa Gate City Journal, a newspaper published in Malheur County, Oregon, and the date of the first publication of this summons is February 3, 1944.

A. L. FLETCHER, Attorney for Plaintiff Residence and Post Office Address Nyssa, Oregon.

"POPULAR ALL-BRAN MUFFIN RECIPE"

All-Brans muffins will get by big with all members of the family for lunch or with a dinner.

Besides tasting good and pepping up a meal, All-Brans provides us with phosphorous, iron and niacin. This is the original basic All-Brans muffin recipe which has enjoyed popularity for years.

ALL-BRAN MUFFINS

2 tablespoons shortening
1/4 cup sugar
1 egg
1 cup Kellogg's All-Brans
1/2 cup milk
1 cup sifted flour
1/2 teaspoon salt
2 1/2 teaspoons baking powder

Cream shortening and sugar thoroughly; add egg and beat well. Stir in All-Brans and milk; let soak until most of moisture is taken up. Sift flour with salt and baking powder; add to first mixture and stir only until flour disappears. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400 degrees F.) about 30 minutes.

Yield: 8 muffins (2 1/2 inches in diameter)

Note: When sour milk or buttermilk is used instead of sweet milk, reduce baking powder to one teaspoon and add 1/4 teaspoon soda.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

RATION TO-LENS IN USE SUNDAY

During the three-week period, February 27 through March 20, in changing from the old rationing program to the simplified token plan, two sets of stamps, green and blue, will be used for processed foods, and two, brown and red, for meats and fats. The old stamps, brown and green, will be used exactly as in the past at their regular value through March 20. The token plan will be fully in effect on March 21. Beginning then, processed foods can be purchased only with Blue Stamps and Blue Tokens, and meats, fats, and oils only with Red Stamps and Red Tokens. The Blue and Red Stamps, effective February 27 are valued at 10 points each. All tokens are valued at one point each and will be given for change only when a purchase is made. No more than nine tokens need to be given as "change" in one transaction.

TO REVIEW FARMER DEFERMENTS

Local Selective Service Boards have been ordered to review promptly deferments of agricultural workers because of the sharp curtailment of available manpower for the Armed Forces. Selective Service has announced, "It is not expected that local boards will defer or continue to defer a registrant as necessary to and regularly engaged in agriculture unless by his own personal and direct efforts he produces 16 or more war units each year." Selective Service asserted. About 1,700,000 men in agriculture were deferred in Class 11-C and Class 111-C as of January 1, 1944. Of this total, 400,000 are single men below 22 years of age and more than one million are non-farmers. In all other war production and war supporting activities less than 125,000 non-farmers below the age of 22 were deferred as of January 1.

RUBBER FOOTWEAR PRICES UP

An average increase of 6 1/2 percent in retail ceiling prices of waterproof rubber footwear—rubbers, arctics, galsters, and rubber boots—has been allowed by the Office of Price Administration to compensate for increased costs. For these higher prices the public will get rubber footwear more nearly approaching the quality of pre-Pearl Harbor footwear than that of the Victory Line product, OPA said.

ANNOUNCES MORE SUPPORT PRICES

Support prices proposed by the War Food Administration for hay and pasture seeds in 1944 are in general higher than those of last year. Increases of 3 cents per pound were proposed for Northern Alfalfa, Red Clover, Alsike Clover, and Biennial Yellow Sweetclover, and of 2 cents a pound for Biennial White Sweetclover and Sudan Grass. Western grasses would be increased as much as 50 percent because of harvesting difficulties, and several grasses appear on the support program for the first time this year.

LESS PAPER WORK TO BUILD

Less paper work for persons who build privately financed housing construction is assured by War Production Board Order P-55 C. This order, announced jointly by the WPB and the National Housing Agency, eliminates filing of a detailed list of materials and permits use of materials that will conserve lumber and fuel. A simplified procedure for farm housing, which was excluded from Order P-55-C, was provided in CMP Regulation 6, Direction 1, effective February 15.

FRUIT-VEGETABLES SET ASIDE

Canners were directed to set aside increased quantities of canned fruits and vegetables from their 1944 production for Government requirements in order to meet expanded military needs. WFA has announced. The increases principally are for canned apples, fruit cocktail, peaches, pears (Bartlett), Lima beans, sweet corn, peas, tomatoes, and tomato juice.

ROUND-UP

WPB has authorized production during 1944 of 1,400 motorcycles for essential domestic civilian use, 80 for Canada, 650 for export, and 50,000 for military use. Use more potatoes in 1944 is the recommendation of WFA following the harvesting in history last year. WPB expects a limited number of domestic electric ranges to be available for essential civilian needs during the last half of this year. U.S. War expenditures in January amounted to \$7,416,000,000, almost 7 percent over December and an average daily rate of \$285,200,000. Because of problems in getting feed, U.S. production of hatchery chicks in January was 20 percent under January last year.

Total retail sales for 1943 were \$63,269,000, and increase of 10 percent over 1942, according to the Department of Commerce. Boys and girls under 20 who leave home seeking war jobs should carry with them proof of their age, advises the U.S. Department of Labor. Copper may now be used in the manufacture of automobile radiators, gaskets,

fuel and oil lines, brake and clutch lining rivets, and other essential parts, according to WPB.

Adrian Finishes Hoop Schedule

(Continued On Page 3)

Antelopes' passing was good throughout the game and clever screening set the stage for clean lay-in shots. Lane led all scorers with 17 points, while Grant of Payette hit for 11. In a preliminary the Adrian B's won from the Payette J.V.'s 26-33 in a contest decided in the final minute of play.

In the final home game of the season the Adrian squad evened their series with Vale by handing the Vikings a 40-31 defeat. Wilson, Antelope center, dumped in 6 baskets in the first half to pace the Adrian attack. Cool ball handling with quick passes opened up the Viking defense. Fisk, Viking center, executed three pivot shots to spark his team in the first half. Half time score favored Adrian 23-13.

In the third period the scoring was even with touches of erratic ball handling on the part of both teams. In this period Vale lost the services of Erwin and Perdue and the Antelopes, Tallman—all via the foul route. In the final quarter the Antelopes maintained their lead and controlled the ball the majority of the time. Wilson, led all scorers with 19 points, while his teammate, Kurtz, registered 13.

Fisk, Viking center, was high for Vale with 8 points. The preliminary game was won by the Antelope B's 30-23.

On Wednesday of this week Coach Howard Lovejoy and his 8 man squad left Adrian to compete in the eastern Oregon B tournament at John Day February 24, 25, 26. The Antelopes will meet the Prairie City team in the first game of the single-elimination tournament. The tournament team will be selected from the following: Anderson, Hite, Crocker, Percy, Brewer, Tallman, Wilson, Kurtz, Percy and Judd.

The electric companies belong to

MAIN STREET

WAR has helped destroy a lot of America's old illusions. The idea that all South Sea beauties look like Dorothy Lamour. The idea that all Englishmen wear monocles and all Russians whiskers. The idea that all electric companies are the exclusive property of a handful of wealthy people.

Actually, few if any other industries are so widely owned. Directly, by many thousands of individual stockholders—housewives, farmers, mechanics, factory workers, teachers. Indirectly, by the millions of savings bank depositors and insurance policyholders—which includes almost every adult American.

Utility securities are popular investments with the banks,

insurance companies and fraternal orders which hold your savings in trust for you. Why? Because cheap, dependable electric service is so basic to your way of life. Because this service is provided by experienced business management.

Wherever you live in America—on Main Street, Park Avenue, or RD No. 1—your money has helped to build the electric industry and you have a large stake in it.
