PEACE TO COME HARD

France's failure to avoid two world wars in the last 25 years through treaties and alliances poses the question, as the allies draw nearer to victory, of whether she will again depend on the same foreign policy and whether her European allies will follow the same program that tied in with the French scheme.

For many years France, through alliances and other forms of treaties, has attempted to keep the "have" nations lined up against the so-called "have-nots" as a means of protecting her own borders. France, and the other allies, failed to keep Germany out of the Rhineland and allowed the Germans to re-arm and thus avoiding their responsibilities, helped set the ground-work for the present conflict.

Premier Churchill recently indicated his anticipated reliance upon the old scheme in meeting post-war problems, but a program of peace based on the old system of pacts and alliances in Europe, even if backed with force, will fail in its purpose from the very start.

The United States will have a hard role to play in the post-war period, because she will have to draw the other allies into a new line of international relations if peace is to endure. Whether our officials can overcome the wiles of the old-line diplomats remains to be determined.

Lincoln Heights

Funeral services were held in the Peterson Funeral home in Ontario by Rev. Phillips of the Christian church for Leverett Goodell, a farmer of this community since 1938.

Mr. Goodell had been in the Holy Rosary hospital for several weeks. He was 53 years old and the father of eight children. Erce, the eldest son is in the army in the South Pacific. Leonard is in the service of his country in Italy. A daughter, Mrs. Leonard Duncan, lives near Jordan Valley. Five other children, Robert, Chester, Raymond, Neal and Dorothy, live at home.

Dorothy Goodell, daughter of Mrs. Ethel Goodell, who has been bedfast for several weeks with rheumatic fever is better but must remain in bed one more week.

Mrs. Vern Smith and Harry Lee have returned to their home here after a two-weeks stay in Nebraska. They were accompanied on the return trip by Mrs. Smith's sisters, the Misses Oda and Margaret Nelson. Ida resumed her duties as cook at the Payette general hospital and Margaret will be employed as assistant cook at the hospital this summer. Miss Lois Nelson, who was formerly employed in Payette, is spending the summer at her home in Nebraska.

Daily Vacation Bible school closed Friday with 34 in attendance throughout the week. Rev. Chandler was teacher, and was assisted by Mrs. Verdo Harris, Donna Winslow and Ione Robbins. A program was given to parents and friends Friday evening, which consisted of the things learned by the pupils during

the week. Several prizes were given by Rev. Chandler.

Members of the Lincoln Sunday school went to Park Sunday school near Payette Sunday morning instead of holding their usual service at the Lincoln schoolhouse. A basket dinner was enjoyed by both groups at noon.

Those who attended the Payette District C. E. rally at the church of God in Payette Sunday afternoon and evening had the privilege of hearing M. D. Linscheid, state C. E. president, speak.

Mrs. George Markham and daughter, Beth and Eliza, are spending several weeks in Provo, Utah visiting relatives.

The monthly meeting of the Patch and chat club which was to have been held at the Orin Hainline home, June 15 was cancelled. The July meeting will be held at the Ralph Winslow home.

A Gideon representative will be present at the Lincoln Sunday school next Sunday morning. At the monthly meeting of the farmers organization which meets the second Saturday evening of each month, Judge Troxell gave a talk.

Mr. and Mrs. Buell Hickey and sons and Rev. and Mrs. R. L. Kriner and family enjoyed a weiner roast Tuesday evening. Later in the evening Mr. and Mrs. Ralph Barnes called at the Kriner home.

Mr. and Mrs. Dave Degross and Mr. and Mrs. Robert Degross called at the Lee Smith home Monday. Robert Degross has finished "boot" training at the Farragut naval training station. He will return to Farragut next week. Mrs. Degross will accompany him.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

ARMY TRUCK FOR FARM USE

The farmer in critical need of a truck may apply to his county AAA Committee for a used army truck. The War Food Administration announces. Upon the basis of applications on hand and further investigation, AAA officers prepare letters certifying to the needs for available trucks. These letters authorize truck dealers to negotiate with proper authorities and buy the trucks for resale to approved applicants. WFA warns that for some time relatively few persons who need trucks for essential agricultural purposes will get them.

GOAL IS ONE \$25 WAR BOND EACH

The 680 delegates attending a 4-H Club convention in Stillwater, Okla., set their goal for at least one \$25 War Bond from the personal earnings of each club member in Oklahoma and agreed to promote the sale of bonds to members of their families and their neighbors.

FARM PLANS FOR WAR VETS

In formulating principles of guidance for establishment of veterans, war workers and farm youths on farms after the war, the Interbureau Committee of the Department of Agriculture points out that most of the good agricultural land in the United States already is in farms. Approximately one and one-half million veterans with farm experience will be demobilized following the war, many of the three million war workers with farm experience may wish to return to farming, and thousands of farm youths will be looking forward to a place in agriculture, the Committee reported. "Intensification, improvement and further development in productive land areas" might make 350,000 family farms available during the five years after the war, and if additional farms are needed, perhaps 300,000 more could be developed within 10 years through reclamation, the Committee said.

GALVANIZED WARE FOR CIVILIANS

Increased production of galvanized pails or buckets, tubs, wash-tubs, wash boilers, funnels, garbage cans, ash cans, fire shovels, coal hods and scuttles for civilian use have been permitted by easing of the War Production Board restrictions on types of iron and steel that may be used.

PLENTIFUL FOODS FOR JULY

Foods that will be plentiful in most of the country during July include:—Eggs; frozen vegetables; canned green and wax beans; dry-

mix and dehydrated soups; peanut butter; citrus marmalade; soy flour; grits and flakes; wheat flour and bread; farofa, spaghetti, noodles; oatmeal and rye breakfast foods. WFA says. Fresh apricots will be plentiful in the Pacific Coast area and fresh snap beans in Eastern U.S. Fresh peaches are expected to be plentiful in July and August.

PRICES ON LOW COST CLOTHING

Retail prices on new low cost clothing items that meet specifications of WPB, as announced by the Office of Price Administration, will be: Cotton house dresses, \$1.49, women's cotton slips, 65 cents; men's printed, solid color and white shirts, \$1.39; and men's shorts, 39 cents. WPB is allocating the fabrics for clothing items to be produced and distributed during July, August

and September.

DISABLED VETERANS TO GET TRAINING

Disabled veterans of the present war many apply for job counseling and vocational training and rehabilitation at centers to be established at colleges and universities throughout the country, according to the Veterans Administration and the Office of War Mobilization. The Veterans Administration will provide, free of charge to eligible disabled veterans, transportation to centers, meals, comfortable quarters, medical service, aptitude tests to determine veterans abilities, interests and occupations in which they could be successful, and professional advice on vocational training. The first of the proposed centers will be opened at the College of the City of New York.

THESE THINGS ARE HARD TO FIND

Severe civilian shortages now exist in washtubs, alarm clocks, window screening and flashlights, WPB reports, with less severe shortages in flashlights batteries, clothes pins, double boilers, egg beaters, pails, radio tubes and umbrellas. Mild shortages exist in wood and coal st-

oves, thermos bottles, baby carriages, mops, rope, bedsprings and bottle pins.

In memory of Mrs. Emma Hawkins who passed away June 24, 1943.

IN MEMORIAM

We had a Sister very dear Who went away from us one day. She served our Lord with such cheer; It gave us courage on our way. She suffered death, yet bore her cross. Amidst her pain she shared her grace And drank her cup with all its dross. But then one day, God took her home To live forever in his care. God bless her loved ones yet who roam. For we hear her pleading prayer.

"Lord bless."—That silent voice we hear. For her sake help us her load to share. If we would love our Sister dear. —Doris Anderson

Picket Flour

An All Purpose Flour Enriched with Vitamin "B"

-It's Carefully Blended -It's a Home Product -It's recommended by Grocers throughout this valley.

Insure Your Hay With

Frank T. Morgan

Let's Go, America!

Give 'em everything you've got!

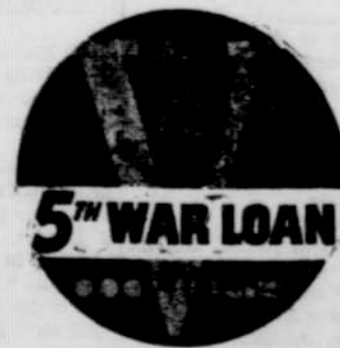

To the man in fighting clothes—those are fighting words which mean nothing can be spared in opposing the enemy's strength and strategy.

Our men on the battle lines on the ground, in the air and on the sea are putting everything they've got into the fight.

It remains for those of us at home to take up the cry as well! "Give

'em everything you've got!" Loan to the hilt! Buy more War Bonds than ever before — double the amount you bought in any previous War Loan. It's your way to fight side by side with the men and boys in uniform.

This is the biggest job we've ever had to do. We can't fail our fighting men as they plunge into the biggest and bloodiest struggle of all.

BUY MORE THAN BEFORE!
