1 Minute Sermon

(In weakness and in strength)
I give thee charge in the sight of God, who quickeneth all things, and before Christ Jesus, who before Pontius Pilate witnessed a good confession; 2 Tim. 6:13

Strip of every friend, yes, even the closest of companions had forsaken Him and fled, with the blood running down His blessed temples from the thorn stabs in His brow our Precious Saviour stood in Pilate's judgment hall; Still He witnessed a good confession. Our Christ knows no defeat—surely He is Master of every circumstance and what He has promised He is well able to perform. He came into the World to save sinners and nothing can thwart His purpose. He finished for all time God's great plan for the salvation of all man kind and the reconciliation of a lost race to their rightful place in the Father (lost thru Adam, restored thru Christ) This same Christ has committed the Message of reconciliation to those of His who have been redeemed and have answered the call of God in their hearts. Oh! that is for the Ministers, you say—not so, my friend, if you have ever known what it is to be saved and have the joy of God in your heart—this ministry is still committed to YOU. You may have given up in the race, you may have let the cares of this world crowd out your love for Christ and this Ministry yet it is still your duty before God. You may be more of a reproach in your backslidden condition but God's will is for you to be up and about this most important business, being instant in season and out of season and He has given you power to do it. What more can He do? Will you arise and shine where you are?
