

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

POTATO ROWERS GET HIGHER PRICE

Producers of early white potatoes will receive ceiling prices assuring them of the same average return as a year ago and about 17 cents a hundred weight above the legal minimum price, it is announced by the Office of Price Administration. At the same time, however, consumers will find that the average cost of this early crop of potatoes will be the same as retail prices of last season. The action was needed to maintain production at a level sufficient to meet estimated demands.

NEW CEILING PRICE LISTS FOR RETAILERS

Supplemental, ceiling price lists that will include all the changes that have been made in the prices of dry groceries since issuance of the current quarterly Community Ceiling Price Lists will soon be forwarded to food retailers in most areas, the Office of Price Administration announces. Objectives of the additional lists is to make it easier for retailers and consumers to keep track of changes in ceiling prices. Under this plan it will only be necessary for grocers to post two lists for dry groceries—the quarterly list and this supplemental—instead of the larger number of separate postings previously required. Thus it will be easier for housewives to find the price of an item.

LESS NITROGEN FOR FARMS

Continued high military requirements for nitrogen mean that less will be available during 1945 for use on American farms, according to a report of the Chemicals Bureau of the War Production Board to the Nitrogen Producers Industry Ad-

visory Committee.

LIGHT NAPHTHA UNDER RATIONING

Light Naptha, the petroleum product normally used for cooking and lighting, will be brought under rationing control, effective November 20, in 15 Midwestern States, the Office of Price Administration states. This is being done to prevent the illegal use of this product as a motor fuel—a practice that has become prevalent in the area. Legitimate users of light Naptha can apply to their local Rationing Boards for issuance of "E" and "R" non-highway gasoline coupons for such rationed Naptha as they may need in bulk. No coupons will be needed to buy that which is already packaged in containers of less than eight ounces. Local boards can deny requests for light Naptha for home dry cleaning—it is not well adapted to such use—if a suitable non-rationed substitute can be found at reasonable cost.

VACUUM CLEANER PRICE BASIS SET

Makers of new household vacuum cleaners and attachments may agree to sell these products at prices that can be increased up to maximum prices that will be in effect when the cleaner is delivered, as a result of action taken by the Office of Price Administration. Thus buyers can place orders for the new cleaners and manufacturers agree to deliver them at the maximum price that will be set by OPA when production begins. However, the action specified that no seller may deliver or make an agreement to deliver new vacuum cleaners at prices to be adjusted upward in accordance with a maximum price to be set

after delivery unless authorized by OPA. But no such authorization will be given at retail.

MORE LOW COST SHOES SEEN

An increased production of low cost shoes of rationed types for men, women and children is anticipated by the War Production Board through relaxation of quality and quota restrictions. It is expected that better values will thus be made available to the public. The amended order eliminates price line and quota restrictions on footwear under certain price levels. The order affects shoes selling about \$4 to men, \$3 to \$3.50 for women, and \$2.75 to \$3 for children.

DISTILLERS' ALCOHOL NOT NEEDED IN JANUARY

Facilities of the Nations grain beverage distillers will not be needed during January for making industrial alcohol, states J. A. Krug, Chairman of the War Production Board. The distillers, however, will return to industrial alcohol output in February 1945. The January release reflects the cut in requirements of alcohol for synthetic rubber during the fourth quarter of this year, due to the nearing of capacity rates by synthetic rubber plants producing Butadiene from petroleum.

ARMY RELEASE PACIFIC AREA MAIL

Families of soldiers engaged in operations in the Philippines will soon be receiving batches of mail that have been delayed for security reasons during the period preceding the invasion of these islands. Some 400,000 letters and a large number of parcels were impounded. This mail originated with units now engaged in American Army Operations in the Philippines. Some of the letters date as far back as last July.

Adrian

The Adrian chamber of commerce held a family night program at the Legion hall Thursday night. A conered dish supper was enjoyed at 8 o'clock. Following a short program was announced by D. W. Patch as master of ceremony. Mrs. J. C. Nevin played two piano solos.

Mrs D. W. Patch sang a solo accompanied by Mrs. Nevin, and Major Hudson played some accordion selections. Gloria Pounds sang two numbers, accompanied by Mr. Pounds on the violin and Mrs. Pounds at the piano. The 6th war bond drive was discussed by John Holly, chairman of the Adrian community drive. The enjoyable program was arranged by Mrs. Clyde Steelman.

Miss Maryoline Snarr was a luncheon guest of Mrs. Thelma Elliott Thursday. The high school faculty held a potluck dinner Wednesday night at the home of Miss Jensen and Miss Larson. Mr and Mrs Jerry Stone were honored at a miscellaneous shower, and presented with a gift from the group.

Mr and Mrs John Holly left Monday for Springfield, where they will visit at the home of their daughter, Mrs. Claude Gerlach and family. Mr. Peck, who was very sick last week, is improving.

The Stokes children, who have been ill, are all improving although

LaWana and Colleen are still confined to their beds.

Mrs E. I. Peterson and Donna left Wednesday for Nebraska, where they will meet Marvin Peterson, who is back in this country after several months in the Atlantic regions.

Mrs John Holly and Mrs. Dennis Patch attended the Book club meeting at the Brumbach home in the Bend Saturday.

Mr and Mrs Attebury, Mr and Mrs Stone, Mr and Mrs Patch, Miss Larson, Miss Jensen and Mrs Brumbach attended the Malheur county teachers meeting and dinner in Ontario Saturday. Mrs Brumbach was elected as delegate from the Malheur county to attend the state teachers meeting in Portland in December.

Mrs Susie Cameron of Baker visited at the Elliott home Thursday. A Thanksgiving service was held Sunday at the United Presbyterian church. A presentation of canned goods for the Nyssa hospital was made by the congregation in connection with the thank-offering service.

In observance of Book week, Mrs Brumbach took some of her English students to the grade schools, where they presented book reviews. The classes also arranged a Book week display in the drug store window. Mrs Gayle Martin entertained Tuesday night at a dinner party in honor of Mr and Mrs Clyde Steelman's wedding anniversary.

The No. Name club met Wednesday at the home of Helen Bishop. Final plans were made for the bazaar to be held at a booth at the High School carnival.

On Tuesday evening Nov. 14, the American Legion post No. 109 held their annual Armistice day dinner.

Following the supper, which was served by the American Legion auxiliary, Marjorie McKague, president of the auxiliary, presented the past president's pin to Anna Jergans.

Mr and Mrs Floyd Glass were presented with a blanket as a going away gift from the Legion.

Five year honor pins were awarded to Mable Pounds, Clara Points, Pauline Eachus, Sue Ashcraft, Bertha Underdahl, Thora Ashcraft, Richards, Elizabeth Eachus, Hilda Edna McGinnis, Erma Points, Joyce Davis, Lucy Glass and Bernice Ant-rim.

Buena Vista

Mr and Mrs H. L. Day arrived from Nebraska Thursday and will make their home here Mr Day has been working in a defense plant for the past several months.

Mrs Jim Ritchie and baby son returned from the Ontario Nursing home Monday.

Mrs Leslie Topliff, who underwent a major operation last week is improving satisfactorily.

Mr and Mrs George Cleaver were

Mrs Lane, clerk

HOW MANY ANSWERS TO THIS AD?

HELP WANTED. Industrious, dependable servant to do housework for large family. Must help with washing, ironing, cleaning, cooking, etc. Also expected to entertain family in evenings. No time off. Salary a few pennies a day.

OBVIOUSLY, the only servant who will do so much for so little these days is **electricity**.

We're glad that electricity is able to work around the clock in war plants and still stay on the job in your home. We're proud that you pay low pre-war wages for its services!

That's news in wartime. It's possible only because of sound business management — and because your friends and neighbors in this company know their business.

IDAHO POWER
A CITIZEN WHEREVER IT SERVES

DON'T WASTE ELECTRICITY JUST BECAUSE IT'S CHEAP AND ISN'T RATIONED!
