6 pounds of a choice collection for an Early Garden. \$2.20 worth of good dependable seeds for \$1.70. POSTPAID. REMEMBER, we pay postage on all garden seed items bought from us. And we prefer that you order by mail, or telephone.

And the same goes for this collection, too, if you don't find this assortment to be well worth the money, just send it back, your money will be refunded. We find that we must make this statement about these special offers because some people may think that this is just a cheap collection and should be sold at a reduced price anyway. The reason we say it this way is, that we want you to get started using our garden seeds, and once you do, you will find that we are really trying to perform a real service in seeing that you get garden seeds that you can always depend upon being clean, pure and of good germination.
