NOTICE TO CREDITORS
Notice hereby is given by the undersigned administratrix of the above entitled estate to the creditors of and all persons having claims against the said deceased, to file them with the necessary vouchers within six months after the date of this notice, at her residence in Nyssa, Oregon, which residence is designated as the place of business for all matters connected with the

Record Wartime Food Production Prompts High School Poster Project

The great importance of food in the war effort and in the postwar days ahead has suggested the theme for a poster contest for high school students, according to the contest announcement just received by art and home economics teachers of this city. Awards will be in the form of war bonds.

The vital part being played by food in these critical times is reflected in the unprecedented demands and record-breaking production. It is pointed out by the national poster contest committee of Chicago. In 1944, production of six major foodstuffs showed increases ranging from 13 to 55 per cent over the average for the prewar period — 1933-39.

Lucille F. Norcott, Administratrix
Dated and first publ. Feb. 1, 1945

NOTICE OF FINAL HEARING
NOTICE HEREBY IS GIVEN, that Ruth McConnell, the Executrix of the estate of Otto Schweizer, deceased, having filed in the County Court of Malheur County, State of Oregon, her first and final account of her administration, the Court has fixed Saturday March 3rd, 1945 at 11 o'clock A.M. and the County court room in the City of Vale, Oregon as the time and place for the hearing of said account and any objections that may be filed thereto, when and where all persons interested in said estate, may appear, file objections in writing and be heard thereon. Said account is for final settlement and upon being approved and settled, said estate will be closed, distribution made of the balance of estate in the hands of the Executrix and said Executrix discharged of her trust. First publ. Feb. 1, 1945
Last publ. Mar. 1, 1945
Ruth McConnell
Executrix of the estate of Otto Schweizer, deceased.

Farm Program To Better Soil

Malheur county farmers, in the opinion of Glen L. Hutchinson, chairman of the county AAA committee, will find the 1945 agricultural conservation program is especially designed to assist in the continuing full food production and in restoring productivity taken out of the soil by three years of record wartime output.

The program offers 41 practices of demonstrated value for conserving soil and water resources. Nearly all of the practices offered in 1944 are continued this year, with some changes in specifications and payment rates.

Those practices important in Malheur county that qualify for payment are: 1. application of phosphate and sulphur to alfalfa, clover, or pastures. 2. Green manure crops. 3. Harvesting grass and legume seed. 4. Ditches and tile drainage projects. 5. Land leveling. 6. Installation of concrete pipe, and concrete checks, drops, weirs, etc. 7. Seeding and reseeding permanent pastures. 8. Rangeland and grazing control. 9. Control of noxious weeds with chemicals or by other means. 10. Control of noxious weeds with chemicals or by other means.

While no individual farm allowances will be established, a fixed allocation of funds will limit the total amount of payments that can be earned by all farmers in the state. For that reason, the chairman said, careful planning of each farm's participation in the program is necessary, to achieve the maximum in conservation for each dollar in payment.

Every farmer or rancher taking part in the program is required to complete a farm plan form and payment will be made for only those practices listed on the farm plan as approved by the committee.

In addition, the chairman said, the written prior approval of the county committee is required for earth-moving, construction, pasture and range practices. Requests for prior approval will be made at the time of filling out the farm plan.

Mr. Hutchinson stressed that it is the responsibility of each cooperator to make certain that all of the conservation practices he will perform under the 1945 program are included on his farm plan, and that written prior approval is received for the practices requiring such action.

Although billions of pounds of food are required annually for our armed forces and our Allies, civilians consumed 7 per cent more food in 1944 than in an average year immediately preceding the war.

Since the production of livestock products has reached phenomenal figures, the theme selected for this high-school contest is "Building For Peace With Meat," according to the committee. The project is being sponsored by the National Live Stock and Meat Board, a research and educational organization which works closely with high schools, colleges, universities and the U. S. Department of Agriculture.

VICTORY FOOD
BROADEN YOUR ENRICHED FLOUR ACQUAINTANCE
To make 1945 meals more interesting and inviting, become acquainted with more enriched flour recipes. Its not rationed and still has all of its pre-war goodness.

A good recipe for youth collection is hamburger biscuit puff—a tempting dish with that delightful "home-cooked goodness. As the snowy biscuits are baked, on the rich meaty mixture, they pick up valuable flavor from the meat.

Hamburger biscuit puff
Meat mixture
3 T. chopped onion.
2 T. fat.
1 pound ground beef.
1 t. salt.
1/4 t. pepper.
1 1/4 cups condensed tomato soup or 3-4 cup canned tomatoes.
2 1/2 cups cooked green beans.
Drop biscuits.
1 cup sifted enriched flour.
1 1/2 t. baking powder.
1/2 T. shortening.
1/2 cup milk.
Brown onion in hot fat. Add beef, salt and pepper. Add tomato soup or canned tomatoes and beans. Mix well. Pour into greased 2 quart casserole. Top with biscuits. To make biscuits: Sift together flour, baking powder and salt. Cut or rub in shortening. Add milk to make a thick batter. Stir only until flour is moistened. Drop by spoonfuls on meat mixture. Bake in moderately hot oven (425F.) 15 to 20 minutes.

SERGEANT WOLFE
IN CITED GROUP
An Eighth Air Force Liberator Station: England — Sergeant Irvine P. Wolfe, R.R. 2, Nyssa, Ore., instrument specialist, is a member of the 392nd bombardment group, a Liberator unit recently cited for "distinguished and exceptionally outstanding performance of duty" on 206 missions.

Commanded by Col. Lorin L. Johnson of Payson, Utah, the group has been overseas for more than a year. The 200th mission was made on D-day. The citation, issued by Major-General William E. Kepner of second bombardment division, read:
"During this period of 200 missions, the 392nd attacked 120 targets in Germany and 80 targets in enemy occupied territory despite adverse conditions and inclement weather at times... overcoming fierce enemy fighter opposition on many occasions in order to reach assigned objectives..."

MR. PARR ADDRESSES P. T. A.
The Kingman Colony P. T. A. observed Founder's day with a special program at the high school Thursday evening.

Frank Parr, principal of the Nyssa high school, was the main speaker. Mr. Parr spoke on the foreign relations policy of the United States in regard to world peace.

A play commemorating the founders of the P. T. A. was presented by Mrs. Borge, Mrs. Bill Holly, Mrs. Frances Deffer, Mrs. George de Haven, Mrs. Muntjerwerff, Mrs. Patch, Mrs. Kurtz and Mrs. Nevin.

The program also included two quartet numbers by Miss Ruth Larson, Mrs. Patch, Jerry Stone and Duane Anderson accompanied by Miss Betty Jean Toomb.

Miss Ruth Larson sang "Rock Me to Sleep", accompanied by Miss Toomb.

Following the program, cake and coffee were served by Mrs. Jim Lane and Mrs. L. Kreyger.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Declaration of Tax

Farmers (persons receiving at least two-thirds of their income from farming) are permitted to delay filing 1945 declarations until January 15, 1946. At that time they may, if they desire, file their annual returns instead of their declarations. Declarations are required from farmers who expect to earn \$500 or more this year. If they postpone the filing of declarations until January 15, 1946, they must pay the full amount of estimated tax at that time. Special forms and instructions have been mailed out to all persons who filed declarations last year. Additional copies may be obtained from the office of any collector of internal revenue. Farmers who have not yet filed their 1944 income tax returns must do so by March 15.

Food Rationing in Japan

All food and clothing in Japan is rationed, as well as matches, medicines, gasoline and fuel, the office of war information states in a comprehensive report on conditions within Japan. Food is distributed to Japanese consumers through neighborhood associations, which issue the rations. Each association serves 10 families. A local chairman is appointed by the police. Local food corporations deliver food rations to the consumers at their doors.

Farm Investments

When the farmer invests his hard-earned money he should be careful to invest it where he is certain that his principal will be safe, is the advice of M. L. Predmore, chief of the agricultural section of the treasury's war finance division. He recalls how many farmers, lured by high interest, invested their savings in speculative stocks and bonds during the last war period. "For this reason," he declared, "war bonds are a first choice for the investment of farm savings. They have all the resources of America back of them. In addition, the series E war bond pays the highest interest rate of any government security now available."

Sugar Program Tightened

A tightened home canning sugar program for the 1945 season—a program designed to insure a fair distribution of the available sugar to those who actually need it for canning—has been announced by Administrator Chester Bowles, OPA. Highlights of the new program are as follows: The housewife will apply at her local war price and rationing board and indicate the amount of canning she intends to do this year. Local boards will issue five-pound home canning sugar coupons. No ration stamps in war ration book four will be good for canning sugar this year. For canning fruits and fruit juices, the allowance will be on the basis of one pound for each four quarts to be canned. The total allowance must not exceed 20 pounds per person, or 160 pounds to a single family, even though the family may contain more than eight persons.

Cotton Goods

Distribution of the 10,000,000 yards of cotton goods that is being made available for the first quarter of 1945 to merchants in rural areas has been limited to merchants who, in 1944, received less than 20 per cent of their 1943 sales of cotton goods. The war production board reports. The allocation of the cotton goods was made specifically for the over-the-counter sale to persons who live in small towns and rural areas and who usually purchase such goods for use in making garments in the home. For the purpose of the dis-

tribution program, small towns and rural areas were defined as communities of less than 25,000, WPB explained. No priority assistance was granted to retailers in towns with greater population.

Home Repairs Program

Nearly 390,000 American families financed urgently needed home repairs and maintenance last year with funds advanced by private financial institutions and insured by the federal housing administration. Abner H. Ferguson, commissioner of the national housing administration, said, "Property repairs and improvements are expected to create a large number of jobs during the transition period from war to peace. As soon as wartime restrictions can be removed, FHA stands ready to extend its aid to property owners and financial institutions to undertake the vital task of property rehabilitation with a convenient plan of financing." It is estimated that property repairs and improvements, when restrictions are removed, will aggregate \$3,000,000,000 in the first 12-month period.

Cow Hollow

Charles Durfee and family of Loa, Utah, have moved to this vicinity. Mr. Durfee has bought the Snider farm and will move his family in about April 1.

Mrs. Durfee and her daughter, Mrs. Ray Porter, will go to Utah this week for a two week's visit. Mrs. Porter expects to meet her husband, who is coming home from England. He was wounded and will be at Bushnell hospital for further
