WHY the supply of NORTHLAND SEED is limited This Year

ONLY THE HIGHEST QUALITY SEED can ever meet rigid tests by which we select seed sold under the Northland Brand. For 61 years the same high standard has been maintained and farmers recognize the Flying Goose as the symbol of dependable, fertile seeds, adapted to local climatic conditions. Last season there was less seed produced of sufficiently high quality to offer under our name. Your Northrup, King dealer NOW has a LIMITED supply of always-dependable Northland seed. See him, or write to...
