THE SMART FAMILY

IT'S A GRAND NIGHT FOR SINGING...

"SURE, it's not only a smart family but a grand family, too. Look at them — having fun! That's John Smart—the father—making like Nelson Eddy; that's Joan—the mother at the piano. And the kids—Tom, home from service and now at college—Jane, she's in high school—and Hal—look at him, now—he's singing ear from ear—and him so serious when he's on Safety Patrol. Yes—they have more fun and more friends—and in all my years on this beat—I've never had to worry when people come out of that house—they don't have to have any alcoholic stimulation to have a grand time.
