OATMEAL FOR GOODNESS
Oatmeal is one of the cereals which we can use and still economize on that hard-to-get wheat. It is a leader in supplying iron and the B-complex vitamins so include it in your meals. This spicily pudding can be steamed in your economy cooker at the same time you are cooking a roast—another economy—and who isn't ready to economize on food now-a-days.

SPICY OATMEAL PUDDING
1 cup sifted enriched emergency flour.
3/4 cup sugar.
3/4 teaspoon salt.
1 teaspoon cinnamon.
1 1/8 teaspoon soda.
1 cup uncooked oatmeal.
3/4 cup raisins.
3 tablespoons shortening
1 1/8 cup of sour milk.
1 1/2 teaspoon vanilla.
Sift flour, sugar, salt, soda and cinnamon. Add oatmeal and raisins. Add melted shortening to sour milk, and add to the dry ingredients. Add vanilla, pour into well-greased pudding pan or squat coffee can. Cover with waxed paper and tie securely. Place on trivet of cooker and steam. Turn switch to high until steam escapes from vent; then to low for 1 1/2 hours.
A fool and his money are soon parted. The forests of Oregon represent many millions of dollars to the Oregon taxpayer. Don't be foolish. Use extreme caution with fire. Keep Oregon green.
