BATTING FOR HAY FEVER SUFFERERS . . . Full war on ragweed, which is blamed for most of the miseries of hay fever victims, was opened in Brooklyn as a campaign got underway to eradicate the weed in vacant lots. Photo shows city employees spraying a luxuriant growth of the pesty weeds with a herbicide, dichlorophenoxyacetic. In six to eight weeks, treated plants die from a .81 per cent solution of spraying. Complete control of ragweed is now possible.

farm. The house was recently vacated by the Pogleman family, who moved to Nampa.
