

Rules Given On Service Parcels

Arrangements have been made by the post office department in cooperation with the war and navy departments (including the marines) and the coast guard for the acceptance of Christmas parcels for members of the armed forces serving outside the continental United States.

Christmas parcels for army personnel overseas must be mailed during the period beginning October 15, 1946, and ending November 15, 1946.

During this period requests from the addressees are not required in connection with Christmas parcels mailed to army personnel. Patrons should indorse each gift parcel "Christmas Parcel."

Christmas cards for army personnel overseas may be mailed at any time but patrons must mail such cards prior to November 15, 1946, if they are to have a reasonable expectation of delivery prior to Christmas. The war department advises that greeting cards for soldiers overseas must be sent in sealed envelopes and prepaid at the first class rate.

Since navy, marine corps, and coast guard personnel may receive parcels without a request at any time of the year, it is not the policy to encourage the mailing of parcels to such personnel during any particular period of time each year. It is suggested, however, that such parcels intended as Christmas gifts be mailed not later than October 15 to afford some degree of probability of delivery prior to Christmas day, depending upon the destination, and that parcels for personnel known to be in an area which would permit mailing subsequent to October 15 may be deposited for mailing at a date selected by the sender.

Christmas parcels for armed forces overseas shall not exceed 70 pounds in weight or 100 inches in length and girth combined. The various services have pointed out that members of the armed forces are amply provided with food and clothing and the public is urged not to include such matter in gift parcels. Not more than one Christ-

mas parcel or package shall be accepted for mailing in any one week for the same addressee.

Christmas parcels for army personnel en route overseas shortly before or subsequent to November 15, 1946, will be accepted after November 15, up to and including December 10, 1946, upon presentation by the sender of a change of address notification (W.D.A.G.O. Form 204 or equivalent notice) from the addressee received subsequent to October 30, 1946, provided the parcels come within the prescribed limits of weight and size and are endorsed "Christmas Parcel. Only one such parcel will be accepted from any one person to anyone individual having an overseas A.P.O. address. However use of the notice of change of address as authority for mailing is not confined to the addressee of the notice.

All parcels should be carefully packed and wrapped to insure their receipt with the contents intact, a slip should be placed inside each parcel with the complete name and address of addressee and a complete list of the contents of the parcel.

Articles of value should be registered or insured.

We THANK

OUR CUSTOMERS FOR THEIR FAITHFUL

PATRONAGE OF THE

Thompson Oil Company

DURING THE LAST SEVERAL YEARS

We feel that the same quality of service

will be continued by the

new owners of the business!

Jess and Bob Thompson

Announcing The Purchase Of The THOMPSON OIL COMPANY

Jess and Bob Thompson, two old friends of yours, have decided to entrust the ownership and future management of the Thompson Oil Company to us, and more important than all else, they are entrusting us with the name Thompson Oil Company.

We know that during the years, they have gained your confidence through their integrity and service.

We ask the same privilege.

Our plan of operation, in no way, calls for the curtailment of any of the services you are entitled to expect by way of past experience. The fact of the matter is that we invite your suggestions as to how we can, if possible, do a better job.

For example, at this time of year practically every truck available is busy hauling beets. Perhaps it is inconvenient for you to have your truck serviced during the day. If that is the case, then we will ser-

vice your truck whenever it is necessary, be it early in the morning or late at night. All you have to do is tell us when you will bring it in.

That is our attitude. We want to help. Perhaps you need some accessory we do not have. If that is the case, you can rest assured that we will do everything possible to obtain what you need.

We ask the opportunity to show you that the spirit and attitude of Jess and Bob toward rendering you service will still prevail. No problem will be too small for our very best attention. You have liked the products you have received in the past. They will be the same. Our one aim with your help, will be, as we have said before, to improve the Thompson Oil Company service, if that is possible.

Cordially yours,
THOMPSON OIL COMPANY
