

F.A. BANQUET IS
HELD AT ADRIAN

DRIAN (Special)—The seventh annual F. P. A. father and son banquet was held Saturday January 18 in the Adrian high school auditorium.

After the dinner, which consisted of tomato cocktail, roast beef, mashed potatoes, brown gravy, peas, fruit salad, hot rolls, butter, pickles, ice cream, cake and coffee, the president, Martin Middlestead, opened the meeting.

Following the opening ceremony, Mr. Clausen, manager of the away store in Ontario, presented awards to Wayne Robb and Joe Vitly for having the most outstanding projects in the Adrian chapter of the F. P. A.

Stanley Huffman, principal of the high school gave a short talk. He stated that he was very much in favor of the F. P. A. and thought that this chapter has accomplished much.

Henry Reuter, the F. P. A. instructor, introduced those present. Francis Thiel read last year's program of work and told much of what the agriculture department had done.

Mr. Sullivan of the state office gave a short talk. He also praised the F. P. A. and said that all the rumors he had heard about the Adrian chapter were good. Mr. Reuter told a little more about the ag. chapter, and how much it had improved since last year.

GIRL'S LEAGUE MEETING
The Girl's League met Thursday, January 23 during sixth period. They discussed matinee dances to raise money for the mother-daughter tea. The members decided to have a dance after the Jordan Valley game.

E. M. Hauser of Ontario was in Adrian last Friday afternoon and showed the seventh and eighth grades three interesting motion pictures entitled "Stitch in Time", "Mexico Mood" and "Peru".
The Girl's Athletic association held a meeting Tuesday, January 21. The point system that the committee has drawn up was discussed and approved by the members of the G. A. A. and is now waiting approval from the office. A party was planned and will be held Wednesday night, January 29 at the Caldwell roller skating rink for members and their partners. Members are to meet at the high school at 7 p.m. before going on to Caldwell.

HOME EC. NEWS
Mrs. H. C. Moore reports that the freshman girls have learned the fundamentals of cooking and are now going to learn to sew this next semester. They will have their choice of making cotton blouses,

simple skirts, and pajamas for this term.

The home economics II classes will start the term by studying food preservation, management for family living and home conveniences. They will also learn how to live happily with one's family and how to make satisfying family meals. Home Economics III will also take up home living. They will take such things as effective shopping, meals for special occasions, entertaining at home, making home livable, home nursing, establishing a home, meals for two and cooking for larger groups.

BAND NEWS
Ray Weatherspoon has announced that the band and chorus have been extended an invitation to participate in the Snake River valley music clinic to be held at the Payette high school. The clinic will be given under the direction of Professor Robert Walls and J. J. Marty of the University of Idaho at Moscow. Parents and students are invited to attend the concert to be given Friday evening February 14.

The band, girls chorus and boys chorus will present a program at the P. T. A. January 30 in the high school auditorium. Mr. "Safety" Davis will be the speaker. The numbers to be played have not yet been decided upon.

SHOWER IS GIVEN
BY WOMEN'S CLUB

OWYHEE (Special)—The Mitchell Butte club, assisted by the Owyhee Community Club, were hostesses at a bridal shower for Miss Ester Neim at the Oregon Trail schoolhouse. Refreshments of salad, sandwiches, cake and coffee were served to 75 guests. Many beautiful and useful gifts were received for the bride's kitchen. The wedding has been announced for February 3. The newlyweds will make their home near Meridian.

Mr. and Mrs. Cliff Wright were Saturday evening dinner guests in the Schaefer home.

Ardis Hurst and Wilbur Jackson were Monday evening dinner guests in the George Elfers home in Big Bend.

The Kingman Grange met Monday night with a good attendance of members. An interesting farm report was given by members of the agriculture committee. A report by the legislative committee concerning the school bills voted for in the past elections and now being considered in the state legislature was given. Discussion on these bills followed. Frank Sherwood of Nyssa gave a short talk in the interest of the Grange. Lecturer Agnes Ashcraft presented a short program of readings, a quiz and songs. Mrs. K. I. Peterson and Mrs. Wesley Piercy served refreshments of gingerbread with whipped cream topping and coffee.

The Pollyanna club will meet

with Rowena Kreager Wednesday, February 5.

FERTILIZATION OF
PASTURES IS URGED

Pasture fertilization pays large dividends, according to Assistant County Agent Leeds Bailey, who has just completed a summary of trials carried out during the past four years. Experimental work was conducted on both old and newly developed lands in the Vale, Nyssa, Ontario, and Oregon County community.

Greatest increases were obtained on new land from a combination of phosphate, sulphur, and barnyard manure which showed an increase over unfertilized plots of 24 tons of dry matter (hay basis) per acre. The cost per ton increase was \$5.94. Cheapest gains were also made on new and from phosphate

applications which gave an increase of 1.8 tons of dry matter at a cost of \$2.02 per ton. Increases from the application of three tons barnyard manure per acre were about the same as those obtained from phosphate. Gains on lands which had been under cultivation for a long period of time were similar to those on new lands but the cost per ton increase in yield was slightly higher, Bailey said.

Fertilizer used were 43 per cent treble phosphate and 95 per cent agricultural sulphur. The phosphate was applied at the rate of 200 pounds per acre while applications of 10 pounds of sulphur were made. Complete information is available at the county agent's office.

The cost of increased yields will be even cheaper, if farmers take advantage of AAA payments on phosphate and sulphur, Bailey added.

PEOPLE ARE ASKING
THESE QUESTIONS ABOUT
ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.
