BIG PowerAire DEMONSTRATION

Showing How You Can Use Air On The Farm

1...TO PAINT YOUR BUILDINGS IN ONE DAY

PowerAire sprays paint 700 square feet an hour. Paint gets into all cracks. Ejection handle eliminates need for scaffolding. Saves time, labor and paint. No previous experience needed.

3...TO PROTECT TREES and GARDENS

PowerAire is compact and portable. Can be mounted on truck or tractor. Sprays trees, shrubs, and gardens without waste. Extension makes it easy to reach high spots.

2...TO DISINFECT LIVESTOCK and BUILDINGS

PowerAire is ideal for spraying DDT, Bromide, and other liquid insecticides and disinfectants. Can be used on livestock and on building interiors. Uses materials with great economy.

4...TO GET LONGER LIFE FROM MACHINERY

PowerAire sprays enamel and other protective coatings. Will apply cleaning solution in strong jet to remove harmful dirt and grease from machinery. Inflates tires.

AND MANY OTHER FARM CHORES

Friday, May 2, 3 P. M.

PowerAire is a compact, portable air tool designed especially for the farm. It connects directly to your gasoline tractor, truck or car engine. Requires no special fittings or engine alterations. Can be ready for use in a few minutes. The tractor or car can be moved under its own power while PowerAire is connected. Does not harm the engine in any way. Come and see PowerAire in action. Try it yourself. No obligation. Thousands now in use.
