Evening In The Islands

The junior class decorated the high school gymnasium for the annual junior-senior prom, which was held Friday evening, April 18.

The gym was decorated in accordance with the theme "Evening in the Islands". A low lattice ceiling of azure blue crepe paper with streamers of pink, yellow, and green hanging from it, was used to make the effect of the blue Hawaiian skies.

On one side of the gym a little "tropical" hut provided a background for the orchestra. In the south end of the gym was a small pond with tropical fish and flowers. Floating on the pond were little andies reflecting in the water. On the edge of the pond was a leafy palm tree.
