

4-H SPRING SHOW
HELD AT ADRIAN

ADRIAN (Special)—The annual 4-H spring show was held Wednesday evening at 8 o'clock in the Adrian high school auditorium. The 4-H spring show held in Ontario

districts, Mitchell, Butte, Wade, Lower Bend, Ridgview, and Kingman Kolony, displayed their articles made in the clothing, cooking, and homemaking projects, which will be exhibited and entered in the various contests in the 4-H spring show held in Ontario

May 26 and 27. Two demonstrations were made including one by Cora Jean Jensen and Effie Rose Smith. Jennifer and Barbara Thompson were to give another demonstration together, but due to the illness of her sister, Jennifer demonstrated alone.

Two girls, Bonnie Langlois and Darlene Smith, of Mitchell Butte, demonstrated ironing a shirt.

A style show was held and several girls modeled the dresses that they made in their clothing project. The girls were from second, third, fourth, and fifth clothing divisions.

Lorraine Van De Water of Wade sang and was accompanied at the piano by her sister, Loretta, who also played for the style review.

Sherryl Reuter of Kingman Kolony played a violin solo, accompanied at the piano by Arlene Pierce. Group singing also enjoyed.

Mrs. Vernon Parker and new daughter, Marilyn Ann, returned home from the Nyssa Nursing home Thursday evening.

The Adrian and Kingman Kolony grade schools closed Friday, May 23 with a basket dinner enjoyed by a large crowd, at the Kingman Kolony schoolhouse. The P.T.A. furnished the ice cream.

Various contests were held and in the afternoon the seventh and eighth grade baseball teams played against the fathers, who won the game.

Adrian high school held its close-of-school picnic in the Big Bend park. The Adrian high baseball team played the Adrian business men and won the game.

A capacity crowd attended commencement exercises held in the high school auditorium Friday evening, May 23. Nineteen seniors were in the graduating class. About 40 received eighth grade diplomas. They were from Owyhee, Wade, Lower Bend, and Adrian junior high districts.

The Intermediate Girl Scouts and Brownies held a joint meeting Saturday afternoon in the Adrian high school building. They practiced for the court of honor which will be held Thursday, June 5.

After practice the Brownies were dismissed to attend the story hour held in the Adrian grade school building by Miss Lillian Nisbet, county librarian. Badge work was checked by Mrs. Charles Newell for the Intermediate Girl Scouts.

were dinner guests Sunday of friends, Mr. and Mrs. Clyde Whitte, near Vale.

J. E. Nichols of Nampa visited his daughter, Mrs. Clyde Steelman, and family Saturday and Sunday.

Mr. and Mrs. C. Glenn Brown, Kristine Korman, and Mr. and Mrs. Robert Brown were dinner guests Sunday in the James Atteberry home at Ontario.

A Rural Life Sunday program was held May 25. Arlene Pierce had charge of announcing the program for the evening. Justine Kieager was usher, Rita Riddle read a poem, Mrs. Veri Bishop and Loretta Van De Water sang a duet, accompanied at the piano by Mrs. Sidney Snapp. Mrs. Snapp also played hymns for the evening.

Speaker for the evening was Reverend Thorndyke of Roswell, whose topic was "I Pledge My Heart to Greater Loyalty," which is part of the 4-H pledge.

Mrs. Threlma Elliot spent from Monday until Wednesday in Ontario assisting with the spring 4-H show.

TWO VACANCIES TO OCCUR IN ACADEMY

Congressman Lowell Stockman will have two vacancies at the United States naval academy, Annapolis, Maryland, to be filled by boys from the second district of Oregon for the class beginning July 1, 1948. He will have competitive examinations conducted by the civil service commission July 21, 1947, to aid in the selection of the nominees for the academy.

Applicants must be residents of the second congressional district of Oregon and should be high school seniors or graduates of high school or college students, and in perfect physical condition.

Candidates for the naval academy must be not less than 17 years of age nor more than 21 years of age on April 1 of the calendar year (1948) in which they enter the naval academy, unless the candidate has completed one year of honorable service in any of the armed forces of the United States during world war II, in which case he may enter the academy if he is not more than 23 years of age on April 1 of the calendar year in which he enters the naval academy.

All boys who are interested and qualified should write immediately to Congressman Lowell Stockman, house office building, Washington, D.C., so they may receive additional information and be admitted to the examination.

QUESTIONNAIRE IS MAILED TO FARMERS

entered into.

The situation has been met temporarily by a notice issued by the secretary of the interior on February 19, 1946. Payments for the year 1946 at the rate of \$2 per acre per year were made by the relief afforded by this action, however, is only temporary, expiring in 1949. This makes it necessary to work out equitable long-range repayment plan.

"Concern has been expressed by interested congressional committees as to why repayment had not been initiated heretofore under existing repayment contracts," Mr. Newell said. "It is necessary to begin repayment because the law required that continued delivery of water, when projects have reached substantial completion, shall be made only on the basis of an acceptable repayment contract covering all reimbursable construction costs."

If no long-range contract is in effect by 1949, the terms of the 1936 omnibus contract will again become effective—more than \$5 per irrigable acre per year plus operation and maintenance charges.

The bureau's statement to water users points out that it is in their interest to reach an agreement on a long-range contract by this summer.

The statement reads: "If agreement is reached this summer, action by the congress cannot be expected prior to the next session of congress in 1948, and it is possible that such action may not be forthcoming until 1949. Since 1949 is the last year that can be covered by the temporary arrangement now in effect, it will be seen that every reasonable effort should be made to reach agreement this year."

"If we fail in these objectives, the 1936 contract will become operative in 1950, resulting in construction assessments exceeding \$5 per acre."

RODEO GROUNDS AT NYSSA VERY GOOD

Harley Tucker of Joseph, Oregon, rodeo contractor, said while in Nyssa recently that the local grounds and corrals provide one of the best rodeo set-ups he has seen in the northwest.

The Owyhee Riding club, owner of the rodeo grounds, expects to sponsor a show July 23 and 24. The club is sanding the arena to prevent dust and will install 2 by 4 inch wire net fencing, six feet

high, all around the arena. The arena fence.

club also has 10 floodlights that will be installed for night shows and drill practice. The chutes and corrals are finished. E. A. Paulus has donated a steel gate for the
